

ALOCASIA LAUTERBACHIANA

Common Name: Elephant Ear

Price: \$19.00

Pot Size: 1 g

Stock: N/A

Bold upright dark foliage with reddish pink backs add drama to shaded containers or a shelf in the home. This plant will enjoy bright indirect light (it will not like life on a bright, southern or western windowsill). Allow top third of soil to dry out before watering. Fantastic for container gardening. Bring into garage or protected area at the end of growing season.

Mature Size: 2-2.5'; **Light:** Part Sun/Shade; **Soil:** Moist

ALOCASIA MACRORRHIZA MYTHIC™ 'STINGRAY'

Common Name: Elephant Ear

Price: \$19.00

Pot Size: 1 g

Stock: N/A

Bold, darkly colored arrow-shaped leaves with a distinctive whip-like tail give this plant its name. Fantastic for container gardening. Bring into garage or protected area at the end of growing season.

Mature Size: 1-2'; **Light:** Sun/Shade; **Soil:** Moist

ALTERNANTHERA 'LITTLE RUBY'

Common Name: Alternanthera

Price: \$6.00

Pot Size: Quart

Stock: N/A

A compact spreading plant perfect for adding color to garden beds or containers; gorgeous shades of burgundy and purple pop throughout the summer months.

Mature Size: 12-18"; **Light:** Sun/Part Sun; **Soil:** Moist

BEGONIA 'SOPHIE CECILE'

Common Name: Fibrous Begonia

Price: \$6.00

Pot Size: Quart

Stock: N/A

Striking glossy green, deeply lobed leaves each marked in silver with a deep red underside. The flowers are rose-pink. Exceptionally vigorous.

Mature Size: 3-4'; **Light:** Sun/Part Sun; **Soil:** Moist

BEGONIA 'TIGER KITTEN'

Common Name: Rex Begonia

Price: \$8.00

Pot Size: Quart

Stock: N/A

Rhizomatous begonia, which spreads by creeping rhizomes, grown for its colorful foliage and flowers. Green and dark burgundy patterns on leaves. Vigorous grower.

Mature Size: .8-1'; **Light:** Part Shade/Shade; **Soil:** Moist

BRUGMANSIA 'CHARLES GRIMALDI'

Common name: Angel Trumpet

Price: \$19.00

Plant Size: Quart

Stock: N/A

Regarded as one of the most fragrant Brugmansias, Charles Grimaldi produces large, pendulous, trumpet shaped flowers that are strongly recurved at the edges. These soft golden flowers bloom from late summer to fall and will open and close in accordance to the time of day. Non hardy in our area, this plant will make for a show stopper in a pot!

Mature Size: 3-4'; **Light:** Sun; **Soil:** Dry/Moist

BRUGMANSIA 'PAT'S PINK'

Common name: Angel Trumpet

Angel Trumpet's pendulous, trumpet-shaped, peach-pink flowers are open for 1-2 days and are only fragrant for a few hours after sunset; however, they flower quite heavily if fertilized regularly during growing season. May be grown in container or ground but must be moved indoors before frost. Overwinter in cool, frost-free location.

Mature Size: 2-4'; **Light:** Sun; **Soil:** Dry/Moist

Stock Status	Plant Size	Price
	1 Gallon	\$12.00
	1 Quart	\$8.00

Price: \$8.00 – \$12.00
Stock: N/A

CALADIUM HEART TO HEART® 'RASPBERRY MOON'

Common Name: Shade Caladium

Pot Size: Quart

A bright intense variegation of white and green speckled with red. Can do well in the house, outside, this plant is an annual in zone 7.

Mature Size: 1-1.5'; **Light:** Part/Full Shade; **Soil:** Moist

Price: \$12.00
Stock: N/A

CESTRUM NOCTURNUM

Common Name: Night Blooming Jasmine, Queen of the Night

Pot Size: Quart

Fairly insignificant creamy-white flowers that emit an intoxicating scent ONLY in the dark. Place outside in summer to enjoy its alluring aroma, right by the bedroom window or where you might dine. In my home garden, hummingbirds are attracted to this plant's flowers. Bring indoors once cool weather begins--thru late spring; place in sunny window and keep on dryish side. Prune hard after flowering to keep shape and scale for home.

Mature Size: 8-10'; **Light:** Sun/Part Sun; **Soil:** Moist

Price: \$10.00
Stock: N/A

CISSUS DISCOLOR

Common Name: Rex Begonia Vine

Price: \$10.00

Pot Size: Quart

Stock: Out of stock

Gorgeous patterned leaves trail gracefully from a hanging pot. Native to Java, this plant is suited to hot, humid environments in the canopy's understory. In your home, this plant enjoys bright but not direct sunlight. Does not enjoy dry soil so will need balanced moisture.

Mature Size: 10' (Vine); **Light:** Bright indirect; **Soil:** Moist

COLEUS PREMIUM SHADE KONG® LIME SPRITE

Common Name: Coleus

Price: \$8.00

Pot Size: 4.5"

Stock: N/A

A stalwart for containers, cultivar matches many colors with a deep burgundy center outlined with limey green edges.

Photo Credit: Pan American Seed

COLEUS PREMIUM SHADE KONG® MOSAIC

Common Name: Coleus

Price: \$8.00

Pot Size: 4.5"

Stock: N/A

A stalwart for containers, cultivar matches many colors with a deep burgundy center outlined with limey green edges.

CYPERUS 'WILD SPIKE'

Common Name: Dwarf Papyrus

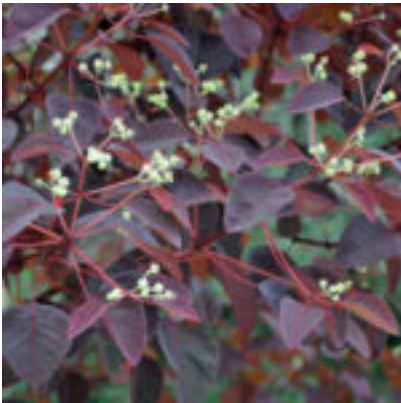

Price: \$4.00

Pot Size: 4.5" pot

Stock: N/A

Vigorous, grass like foliage are topped with large umbels that radiate stiffly from the center, giving this plant a starburst effect.

Mature Size: 1-1.5'; **Light:** Sun/Shade;
Soil: Moist/Wet

EUPHORBIA COTINIFOLIA

Common Name: Caribbean Copper Plant

Price: \$6.00

Pot Size: Quart

Stock: N/A

Purplish stems are clad with round leaves. that emerge red but mature to dark burgundy. Small white flowers in loose panicles bloom at the branch ends in summer.

Mature Size: 5-6'; **Light:** Sun; **Soil:** Moist

EUPHORBIA TIRUCALLI 'STICKS ON FIRE'

Common Name: Red Pencil Tree

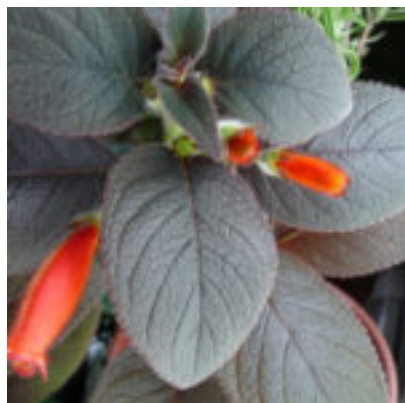

Price: \$6.00

Pot Size: Quart

Stock: Out of stock

Evergreen succulent that resembles sea coral, which in warmer environments, forms a succulent shrub 25' height x 3-5' wide. On the East Coast, expect a few 'sticks on fire', referring to the fact that the stems get redder in cooler weather. Very drought tolerant plant. Well drained, sandy soil a must. Considered a nonhardy plant but can take temps to lower 30's.

Mature Size: 3-5'; **Light:** Sun; **Soil:** Dry

KOHLERIA 'DARK VELVET'

Common Name: Kohleria

Price: \$6.00

Pot Size: Quart

Stock: N/A

Vigorous member of the Gesneriad family, with stunning orange-red tubular flowers with dark orange polka dots at mouth of corolla; radiant contrast against dark, almost black, leaves. Prolific bloomer, with fuzzy stems, leaves and flowers.

Mature Size: 2-3'; **Light:** Part Sun; **Soil:** Moist

PASSIFLORA INCARNATA

Common Name: Passionflower

Price: \$10.00

Pot Size: 1 g

Stock: N/A

Tag: [Edible](#)

An absolutely majestic flower that will bring photographers and wanderers alike asking what this flower is and where they can get one! Run this vine somewhere in your garden as a focal point, it can't be beat!

Mature Size: 25' (Vine); **Light:** Sun; **Soil:** Moist

SOLANDRA MAXIMA 'VARIEGATA'

Common Name: Variegated Golden Chalice Vine

Price: \$8.00

Pot Size: 1 g

Stock: N/A

Large vine prized for its huge (6-8" across) golden trumpet flowers with interior purple veins which appear from late winter to early spring. Thick, variegated white/green leaves. In southern California, this vine can reach 18-20' but as an inside tender plant, size can be kept in check. Summer outdoors.

Mature Size: 3-7'; **Light:** Part Sun; **Soil:** Dry/Moist

TRADESCANTIA SPATHACEA 'SITARA GOLD'

Common Name: Moses-in-the-Cradle

Price: \$10.00

Stock: N/A

Pot Size: 1 g

Copper gold leaves on upper side, deep burgundy on underside. Immediate eye catcher that belies its tough, durable nature, withstanding neglect, poor lighting (although does best in bright light), and dry conditions (think dorm living). Fast grower that after a few years can be divided and shared with friends.

Mature Size: 1'; **Light:** Sun/Part Sun; **Soil:** Dry/Moist
