

ACANTHUS 'WHITEWATER'

Common Name: Variegated Bear's Breeches

Pot Size: 1 g

Variegated foliage provides the pattern for the Corinthian column leaf motif. Architectural spikes of snapdragon-like white flowers that decorate their red stalks ornament the garden July-August. Native to the Mediterranean region.

Mature Size: 3-4'; **Light:** Part Shade/Shade; **Soil:** Moist

Price: \$18.00

Stock: In stock

Tags: [☒ Deer Resistant](#), [☒ Rabbit Resistant](#)

ACHILLEA MILLEFOLIUM 'BALVINOLET'

Common Name: New Vintage(TM) Violet Yarrow - Pot Size: qt

Yarrows are great for hot, dry and sunny locations and provide color throughout summer months. This selection features violet flower clusters with cream-colored 'eyes' on compact, fern-like foliage. Removing faded flowers encourages more bloom and cutting back the foliage to new basal foliage encourages a return with sturdier habit.

Mature Size: 3'; **Light:** Sun/part shade; **Soil:** Dry/Moist

Price: \$8.00

Stock: In stock

ACHILLEA MILLEFOLIUM LITTLE MOONSHINE™

Common Name: Yarrow

Pot Size: 1 g

Retaining all of the characteristics of 'Moonshine', its silver-gray foliage and lemon-yellow flat-topped flowers cover the plant all summer, and well behaved. The difference? Height, coming in at about half the height, maturing to a foot tall.

Mature Size: 9-12"; **Light:** Sun; **Soil:** Dry/Moist **Cultivar:** 'ACBZ0002'

Price: \$10.00

Stock: In stock

ACHILLEA MILLEFOLIUM NEW VINTAGE™ RED

Common Name: Yarrow

Pot Size: Quart

Bushy gray-green ferny foliage is compact and robust. Grows as wide as it is tall. An appealing perennial for summer through fall color in a sun-loving garden. Fragrant blooms of Achillea are ever-changing, flaunting shades of a rich red.

Mature Height: 1.5-2'; **Sun:** Full; **Soil:** Moist/Dry

Price: \$10.00

Stock: In stock

ACHILLEA 'MOONSHINE'

Common Name: Yarrow

Pot Size: 1 g

An outstanding perennial with silver-gray foliage and lemon-yellow flat-topped flowers that cover the plant all summer. It is well-behaved as well, meaning minimal to no reseeding/spreading!

Mature Size: 1-1.5'; **Light:** Sun; **Soil:** Dry/Moist

Price: \$10.00

Stock: In stock

Tags: [☑ Black Walnut Resistant](#), [☑ Deer Resistant](#), [☑ Drought Tolerant](#), [☑ Pollinator Friendly](#), [☑ Rabbit Resistant](#), [☑ Salt Tolerant](#)

ACORUS GRAMINEUS 'OGON'

Common Name: Grass-Leaved Sweetflag

Pot Size: Quart

A beautiful mat of bright green and gold with plenty of color to jazz up shady spots or moist, sunny areas. This species grows in evergreen tufted mounds with grass-like, narrow blades. Plant it in moist areas to create a dense ground cover, or use it to accent water features or ponds. It can also perform in more average garden soils, especially if shaded. This plant spreads very slowly by rhizomes.

Mature Size: 1-1.5'; **Light:** Sun/Shade; **Soil:** Moist/Wet

Price: \$10.00

Stock: In stock

Tags: [☒ Deer Resistant](#), [☒ Staff Favorite](#)

ACORUS GRAMINEUS 'VARIEGATUS'

Common Name: Grass-Leaved Sweetflag

Pot Size: Quart

This *Acorus* features grass- to iris-like tufts of narrow, variegated leaf blades which are striped with white and green and fan upward to 6-12" tall.

Mature Size: 6-12"; **Light:** Sun/Part Sun; **Soil:** Moist/Wet

Price: \$10.00

Stock: In stock

AGASTACHE 'BLUE BAYOU'

Common Name: Anise Hyssop

Pot Size: 1 g

With a delicate indigo blue flower color included with its compactness, this cultivar is great for the front or middle of flower beds. There are no guarantees in horticulture, but having pollinators on this plant is as close to a guarantee as one can get.

Mature Size: 16-18"; **Light:** Sun; **Soil:** Dry/Moist

Price: \$10.00

Stock: In stock

Tags: [Hummingbird](#), [☒ Black Walnut Resistant](#), [☒ Deer Resistant](#), [☒ Pollinator Friendly](#), [☒ Rabbit Resistant](#)

AGASTACHE KUDOS™ 'MANDARIN'

Common Name: Hummingbird Mint

Pot Size: 1 g

A profusion of fiery coppery orange flowers held on an ultra-compact plant makes this a great addition to any sized garden. Bees and hummingbirds will thank you as this plant blooms from late spring into fall. Brush the foliage, to enjoy a minty fragrance.

Mature Height: 12-18" **Light:** Sun **Soil:** Dry/Average

Price: \$10.00

AGASTACHE RUGOSA 'LITTLE ADDER'

Common Name: Anise Hyssop

Pot Size: Quart

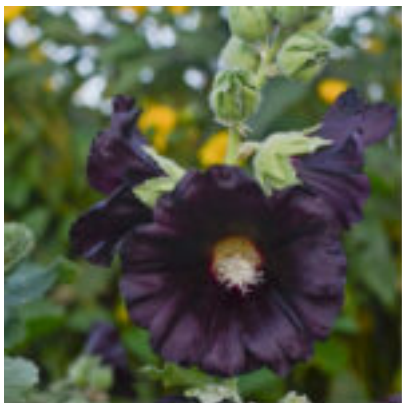

This compact and densely branched cultivar is a pollinator magnet. Licorice-scented foliage steps back to show off the lavender-blue flower spikes throughout the summer. As an added bonus: deer are not a fan of this plant.

Mature Size: 16-18"; **Light:** Sun; **Soil:** Dry/Moist

Price: \$8.00

Stock: In stock

Tags: [Hummingbird](#), [☒ Black Walnut Resistant](#), [☒ Deer Resistant](#), [☒ Pollinator Friendly](#), [☒ Rabbit Resistant](#)

ALCEA ROSEA 'BLACKNIGHT'

Common Name: Hollyhock

Pot Size: 1 g

Deep black-purple, single flowers are produced on tall, sturdy stalks in midsummer. This cultivar is truly perennial as opposed to the biennial habits of other hollyhocks.

Mature Size: 5-6'; **Light:** Sun; **Soil:** Moist

Price: \$12.00

Stock: In stock

Tag: [☒ Black Walnut Resistant](#)

ALLIUM 'BUBBLE BATH'

Common Name: Ornamental Onion

Pot Size: 1 g

Smaller, numerous lavender flower clusters are held on strong stems above a mound of glaucous blue green foliage. The wide, linear leaves have a slight twist. Prefers well draining soil.

Mature Size: 26-28"; **Light:** Sun/Partial Sun; **Soil:** Dry/Moist

Price: \$12.00

Stock: In stock

Tags: [☒ Black Walnut Resistant](#), [☒ Deer Resistant](#), [☒ Pollinator Friendly](#), [☒ Rabbit Resistant](#)

ALLIUM LUSITANICUM 'SUMMER BEAUTY'

Common Name: Ornamental Onion

Pot Size: 1 g

Powdery pinkish purple spheres in summer with lance-shaped glossy green foliage. Dried seed heads add winter interest. Pollen and nectar source for honeybees, bumble bees, native bees, and butterflies. Deer and rabbits dislike.

Mature Size: 1'; **Light:** Sun; **Soil:** Dry

Price: \$14.00

Stock: In stock

Tags: [☒ Deer Resistant](#), [☒ Pollinator Friendly](#)

ALLIUM 'MILLENIUM'

Common Name: Ornamental Onion

Pot Size: 1 g

Upright, deep green flat foliage 6-12" height in spring, with globe-shaped, rosy-purple flowers mid-late summer. Dried flower heads are attractive in containers. Easy maintenance and deer won't bother as they don't like onion breath.

Mature Height: 1-1.5'; **Light:** Sun; **Soil:** Dry

Tags: [☑ Deer Resistant](#), [☑ Fall Foliage](#), [☑ Pollinator Friendly](#), [☑ Rabbit Resistant](#), [☑ Salt Tolerant](#)

AMSONIA CILIATA 'HALFWAY TO ARKANSAS'

Common Name: Fringed Blue Star

Pot Size: 1 g

Clusters of pale blue star-shaped flowers grow 2 to 3 ft. tall and wide. In autumn, its leaves turn gold with purple brown highlights, as opposed to the "standard" gold. Also, turns for fall later than other bluestars.

Mature Size: 24-36"; **Light:** Sun/Part Sun; **Soil:** Dry/Moist

Price: \$12.00

Stock: In stock

Tags: [☑ Deer Resistant](#), [☑ Fall Foliage](#), [☑ Pollinator Friendly](#), [☑ Rabbit Resistant](#), [☑ Salt Tolerant](#)

AMSONIA HUBRICHTII

Common Name: Blue Star

Pot Size: 1 g

A staff favorite; durable and drought tolerant, delicate fern-like foliage is topped by blue flowers in spring (important for early pollinators) and rich, pumpkin-colored fall foliage.

This plant will take a few years to reach mature size, but worth the wait. Extremely drought and salt tolerant.

Mature Size: 2-4'; **Light:** Sun/Partial Sun;
Soil: Dry/Moist

Price: \$12.00

Stock: In stock

AMSONIA 'STARSTRUCK'

Common Name: Blue Star

Pot Size: 1 g

Compared to 'Storm Cloud', this cultivar is much more compact, a wider leaf, and blooms a week or two later. Adding onto the wowing sky-blue flowers are stems of vibrant green leaves with lighter midribs and dark olive stems.

Mature Size: 1.5-2.5'; **Light:** Sun/Part Sun;
Soil: Dry/Moist

Price: \$12.00

Stock: In stock

Tags: [Clay Soil Tolerant](#), [Deer Resistant](#), [Drought Tolerant](#), [Fall Foliage](#)

AMSONIA TABERNAEMONTANA 'STORM CLOUD'

Common Name: Blue Star

Pot Size: 1 g

Poor, dry soil and deer have no effect on this native perennial. Incredibly dark stems emerge from the ground in spring and are topped by olive green leaves with silver veining. Star-shaped periwinkle flowers appear mid to late spring. Plant en masse for best effect.

Mature Size: 2-3'; **Light:** Sun/Part Sun;
Soil: Dry/Moist

Price: \$14.00

Stock: Out of stock

Tags: [Clay Soil Tolerant](#), [Deer Resistant](#), [Drought Tolerant](#), [Fall Foliage](#)

ANEMONE DREAMING SWAN™

Common Name: Anemone

Pot Size: Quart

A staff favorite; durable and drought tolerant, delicate fern-like foliage is topped by blue flowers in spring (important for early pollinators) and rich, pumpkin-colored fall foliage.

This plant will take a few years to reach mature size, but worth the wait. Extremely drought and salt tolerant.

Mature Size: 30"; **Light:** Sun/Partial Sun; **Soil:** Moist **Cultivar:** 'MACANE004'

Price: \$10.00

Stock: In stock

Tags: [☒ Deer Resistant](#), [☒ Rabbit Resistant](#), [☒ Salt Tolerant](#), [☒ Wet Soil](#)

ANEMONE FANTASY™ SNOW ANGEL

Common Name: Japanese Anemone

Pot Size: 1 g

Shorter than the typical Anemone, this cultivar stands out with eye-catching contrast. Its ruffled white blooms and yellow eyes shine against the dark foliage in August and September, providing late summer interest when other perennials are fading.

Mature Size: 12-16"; **Light:** Part Shade/Shade; **Soil:** Moist **Cultivar:** 'lfansa'

Price: \$12.00

Tags: [☒ Cut Flower](#), [☒ Deer Resistant](#), [☒ Pollinator Friendly](#), [☒ Rabbit Resistant](#)

ANEMONE ×HYBRIDA 'HONORINE JOBERT'

Common Name: Windflower

Pot Size: 1 g

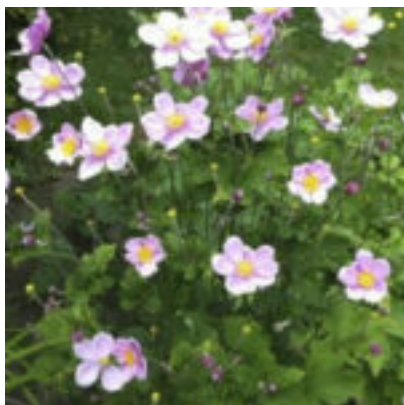

Pure white, open-faced flowers with golden yellow stamens brighten the August-September garden. An old garden hybrid discovered in Verdun, France in 1858 and grown in the mid-Atlantic for decades; we can't heap enough praise on this plant.

Mature Size: 3-4'; **Light:** Sun/Partial Sun; **Soil:** Dry/Moist

Price: \$12.00

Stock: Out of stock

Tags: [☒ Black Walnut Resistant](#), [☒ Deer Resistant](#)

ANEMONE 'SEPTEMBER CHARM'

Common Name: Windflower

Pot Size: 1 g

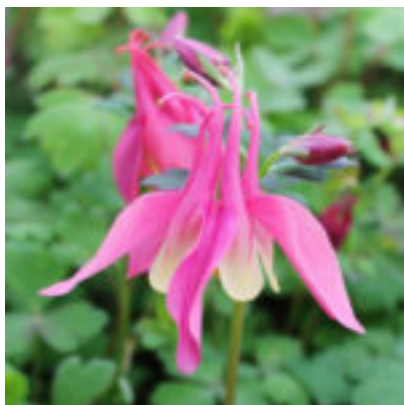

Showy, clear pink flowers with golden yellow centers brighten late summer-fall border. Good cut flower. Drought tolerant once established.

Mature Size: 2-3'; **Light:** Sun/Part Sun; **Soil:** Dry/Moist

Price: \$12.00

Stock: In stock

Tags: [☒ Cut Flower](#), [☒ Deer Resistant](#)

AQUILEGIA SPRING MAGIC® ROSE AND IVORY

Common Name: Columbine

Pot Size: 1 g

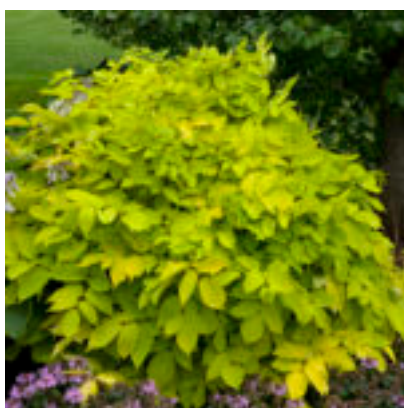

A compact, clump-forming, deciduous perennial with deeply-divided, blue-green leaves and, in late spring and early summer, upright stems bearing nodding flowers with white inner petals surrounded by spurred, rose-pink outer petals.

Mature size: 12-14"; **Light:** Sun; **Soil:** Moist **Cultivar:** 'B3790'

Price: \$10.00

Stock: In stock

Tags: [Hummingbird](#), [☒ Deer Resistant](#), [☒ Drought Tolerant](#), [☒ Rabbit Resistant](#)

ARALIA CORDATA 'SUN KING'

Common Name: Golden Japanese Spikenard

Pot Size: 1 g

Bring a tropical flavor to your garden with this bold plant. Excellent complement to hostas, astilbes, ferns. Emerges mid-spring with bright gold leaves. Needs a few hours of bright sun to keep golden color, otherwise turns chartreuse to lime green (prettier to me). In mid to late summer, racemes of tiny white flowers produced followed by deep purple berries.

Mature Height: 3-4'; **Light:** Part Shade/Shade; **Soil:** Moist

Photo: Proven Winner

Price: \$18.00

Stock: In stock

Tags: [☒ Attracts Birds](#), [☒ Deer Resistant](#)

ARALIA RACEMOSA

Common Name: American Spikenard

Pot Size: 1 g

Glabrous, dark maroon to near black stems rise from large aromatic roots bearing very large pinnate compound leaves. Small but numerous umbels of tiny greenish-white flowers bloom in long upright panicles in early to mid-summer.

Mature Height: 3-4'; **Light:** Sun/Part Sun;
Soil: Moist

ASCLEPIAS INCARNATA

Common Name: Swamp Milkweed

Pot Size: 1 g

Native plant with great fragrance and showy, pink-mauve flowers which appear midsummer to fall. Quintessential larval host for monarchs.

Mature Size: 3-4'; **Light:** Sun; **Soil:** Moist/Wet

Price: \$10.00

Stock: In stock

Tags: [☑ Deer Resistant](#), [☑ Native](#), [☑ Pollinator Friendly](#), [☑ Wet Soil](#)

ASCLEPIAS INCARNATA 'ICE BALLET'

Common Name: Swamp Milkweed

Pot Size: 1 g

From July to August, uncommon white flowers attract butterflies as a nectar source and for the larval stages of Monarch butterflies. Attractive seed pods follow flowers. Clump-forming native commonly found in swamps, river bottomlands and wet meadows.

Mature Size: 3-4'; **Light:** Sun; **Soil:** Moist/Wet

Price: \$12.00

Stock: N/A

Tag: [☑ Wet Soil](#)

ASCLEPIAS TUBEROSA

Common Name: Butterfly Weed

Pot Size: 1 g

Flaming red-orange flowers June-July are a nectar source for monarch butterflies and foliage essential food source for monarch caterpillar. Tough, drought tolerant plants. Ornamental seed pods seen in late summer. Landscape image taken in Piet Oudolf's garden in Hummelo, Netherlands.

Mature Size: 1-2.5'; **Light:** Sun; **Soil:** Dry/Moist

Price: \$10.00

Stock: In stock

Tags: [☒ Deer Resistant](#), [☒ Native](#), [☒ Pollinator Friendly](#)

ASCLEPIAS TUBEROSA 'HELLO YELLOW'

Common Name: Butterfly Weed

Pot Size: 1 g

This cultivar of our native *A. tuberosa* offers three summer months of golden yellow blooms. Deadheading the flowers will stimulate another bloom cycle about a month after the first one. This cultivar invites Monarch Butterflies, Hummingbirds, Bees, and other beneficial insects.

Mature Size: 18-30"; **Light:** Sun; **Soil:** Moist

Price: \$12.00

Stock: In stock

Tags: [☒ Deer Resistant](#), [☒ Native](#), [☒ Pollinator Friendly](#)

ASTER ERICOIDES 'SNOW FLURRY' (SYN. SYMPHYOTRICHUM)

Common Name: White Heath Aster

Pot Size: 1 g

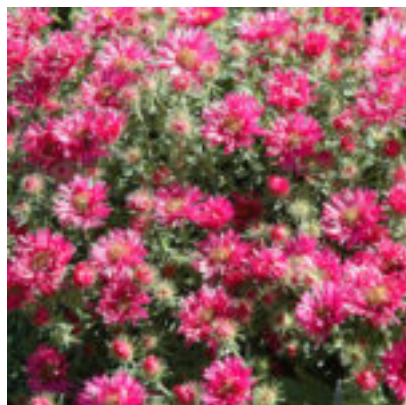

Tough, resilient native plant that's great for pollinators. White rays and sun-colored florets add cheerful presence in a late summer perennial or mixed border. Prostrate with stiff stems, forms a dense carpet covered in blooms that resemble snow. Enjoys good drainage. Lepidoptera and Hymenoptera swirl about.

Mature Size: 6-8"; **Light:** Sun; **Soil:** Moist

Price: \$12.00

Stock: In stock

Tags: [☒ Clay Soil Tolerant](#), [☒ Drought Tolerant](#), [☒ Native](#), [☒ Pollinator Friendly](#)

ASTER NOVAE-ANGLIAE 'BOSTON'

Common Name: New England Aster

Pot Size: 1 g

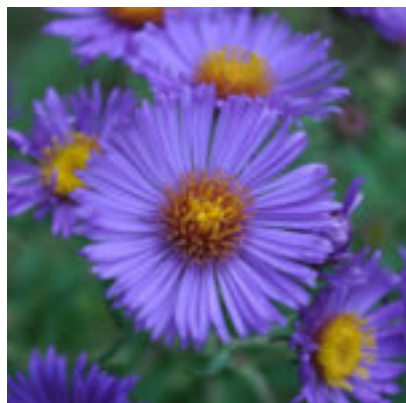

(Syn: *Symphyotrichum novae-angliae*) Deep rose-red flowers attract a multitude of pollinators when in bloom starting mid to late August. Strong sturdy stems also make for a good cut flower. Can tip prune earlier in season to keep plant more compact.

Mature Size: 2-3'; **Light:** Sun; **Soil:** Dry/Moist

Price: \$12.00

Stock: In stock

Tags: [☑ Drought Tolerant](#), [☑ Pollinator Friendly](#)

ASTER NOVAE-ANGLIAE 'HARTFORD'

Common Name: New England Aster

Pot Size: 1 g

(Syn: *Symphyotrichum novae-angliae*) Profuse 1" violet blue flowers with yellow-orange center disks, that age to a soft red. Blooms at the tips of straight upright leafy stems, late summer through fall.

Mature Size: 2-3'; **Light:** Sun; **Soil:** Moist

Price: \$12.00

Stock: In stock

Tags: [☑ Drought Tolerant](#), [☑ Pollinator Friendly](#)

ASTER NOVAE-ANGLIAE 'PURPLE DOME'

Common Name: Dwarf New England Aster

Pot Size: 1 g

(Syn: *Symphyotrichum novae-angliae*) A Mt. Cuba native plant introduction (in Dick Lighty's era), with dense clusters of deep lavender-purple, daisy-like flowers in early fall. Compact, mounding habit. Combines well with goldenrods, rudbeckias, coreopsis and many others.

Mature Size: 2'; **Light:** Sun/Partial Sun; **Soil:** Moist

Price: \$12.00

Stock: In stock

Tags: [☑ Drought Tolerant](#), [☑ Native](#), [☑ Pollinator Friendly](#)

ASTER TATARICUS 'JINDAI'

Common Name: Tatarian Aster

Pot Size: Quart

Distinctive paddle-shaped, lower leaves are larger but leaves are significantly smaller in size higher up on the plant. Small but abundant flowers with deep lavender to blue rays and yellow centers appear in flat-topped clusters in autumn. A late blooming aster that still looks fresh at time of first frost. Attractive to butterflies. 'Jindai' is a dwarven cultivar of the straight species.

Mature Size: 3-4'; **Light:** Sun; **Soil:** Dry/Moist

Price: \$8.00

Stock: In stock

Tags: [☒ Drought Tolerant](#), [☒ Pollinator Friendly](#)

ASTILBE BITERNATA

Common Name: False Goatsbeard

Pot Size: 1 g

The only *Astilbe* native to North America! Cream-colored feathery plumes soar to 4-5 feet (much like *Aruncus dioicus* - Goat's Beard) in summer months. Three-lobed terminal leaflet distinguishes it from *Aruncus*. Does well in rich, well drained soil.

Mature Size: 3-5'; **Light:** Part Shade/Shade; **Soil:** Moist

Price: \$14.00

Stock: In stock

Tags: [☒ Cut Flower](#), [☒ Native](#), [☒ Pollinator Friendly](#), [☒ Wet Soil](#)

ASTILBE 'CHOCOLATE SHOGUN'

Common Name: False Spirea

Pot Size: 1 g

Selected for its adaptability to higher light levels and drought, 'Chocolate Shogun' is a great addition to the garden. Foliage remains an attractive chocolate bronze throughout the growing season, supporting plumes of blush pink flowers that fade to white in late spring. While this plant can sustain more drought than other *Astilbe*'s, it will still enjoy adequate moisture and shade.

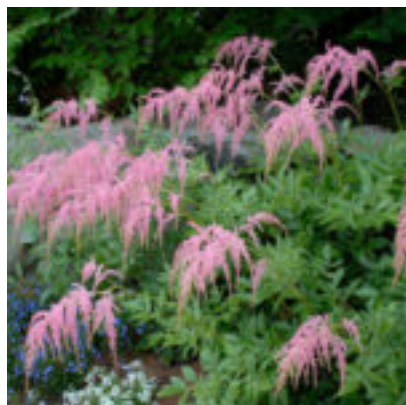

Mature Size: 2-3'; **Light:** Part Shade/Shade; **Soil:** Moist

Price: \$16.00

Stock: In stock

ASTILBE 'OSTRICH PLUME'

Common Name: Japanese Astilbe

Price: \$14.00

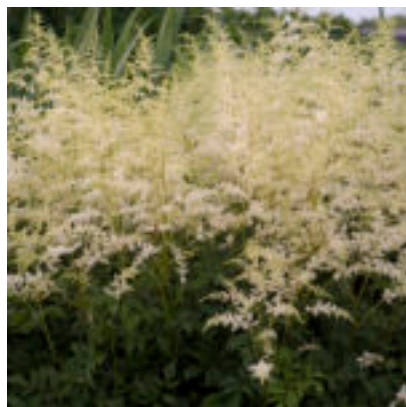

Pot Size: 1 g

Stock: In stock

Coral-rose flowers open up on arching stems that droop, atypical in comparison with most *Astilbe*'s. Glaucous foliage gives way to the magnificent floral display in mid-summer in our area. Can do well on sloped faces for maximum display.

Mature Size: 24-30"; **Light:** Part Shade/Shade; **Soil:** Moist

Photo Credit: Walter's Gardens

ASTILBE xARENDSII 'BRIDAL VEIL'

Common Name: Brautschleier Astilbe

Price: \$10.00

Stock: In stock

Pot Size: 1 g

Tags: [☑ Deer Resistant](#), [☑ Pollinator Friendly](#), [☑ Rabbit Resistant](#), [☑ Wet Soil](#)

Bred by the famous German nurseryman Georg Arends. Blooms in early summer against dark green, glossy foliage. Lacy white panicles droop slightly at the tip, lending a frothy feel to the feathery foliage clump.

Mature Size: 1.5-3'; **Light:** Part Sun/Shade; **Soil:** Moist

Photo credit: Walters Garden, Inc.

ASTILBE xARENDSII 'FANAL'

Common Name: Astilbe

Price: \$14.00

Stock: In stock

Pot Size: 1 g

Tag: [☑ Black Walnut Resistant](#)

A showy bloomer with beautiful late spring to early summer color. Tall, feathery blooms of deep garnet-red rise above mounds of graceful green-bronze foliage.

Mature Height: 1-2'; **Light:** Part Shade/Shade; **Soil:** Moist

Photo credit: Walters Garden, Inc.

ASTRANTIA MAJOR 'MASTERPIECE'

Common Name: Variegated
Masterwort

Pot Size: Quart

Pink pincushion flowers on nearly 2 foot stems rise above gold centered variegated leaves. Flowers primarily in June and July.

Tags: [☒ Black Walnut Resistant](#), [☒ Deer Resistant](#), [☒ Wet Soil](#)

ATHYRIUM 'GODZILLA'

Common Name: Giant Japanese Painted Fern

Pot Size: 1 g

This cultivar of *Athyrium* forms a massive, arching clump of silvery fronds with green highlights and dark purple stems. Think of the classic *Athyrium* 'Pictum', but on steroids.

Mature Size: 30-36"; **Light:** Part Shade/Shade; **Soil:** Moist

Price: \$14.00

Stock: Out of stock

Tags: [☒ Black Walnut Resistant](#), [☒ Deer Resistant](#), [☒ Native](#), [☒ Wet Soil](#)

ATHYRIUM NIPONICUM 'CRESTED SURF'

Common Name: Japanese Painted Fern

Pot Size: 1 g

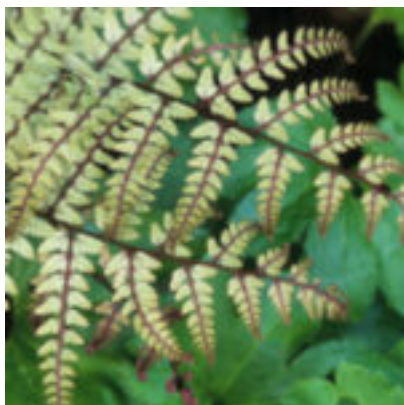

Waves of silvery gray-green foliage are ribbed with eggplant purple. Provides a fine, lacy texture to shady areas.

Mature Size: 18-21"; **Light:** Part Shade/Shade; **Soil:** Moist

Price: \$14.00

Stock: In stock

Tags: [☒ Black Walnut Resistant](#), [☒ Deer Resistant](#), [☒ Wet Soil](#)

ATHYRIUM OTOPHORUM

Common Name: Eared Lady Fern

Pot Size: Quart

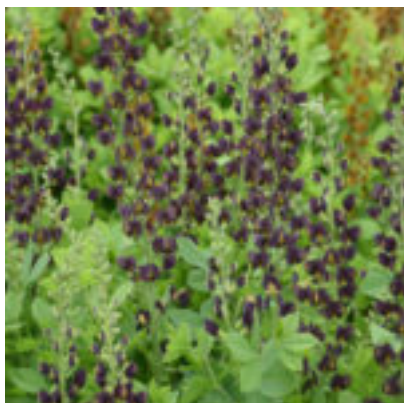

This fern is primarily valued in the garden for its cascading habit of growth. Its attractive ferny bipinnately compound leaves emerge light green in spring, turning green in color with pointy burgundy spines throughout the season.

Mature Size: 12-24"; **Light:** Part Sun/Shade; **Soil:** Moist

Price: \$10.00

Stock: In stock

Tags: [☒ Black Walnut Resistant](#), [☒ Deer Resistant](#), [☒ Wet Soil](#)

BAPTISIA 'DARK CHOCOLATE'

Common Name: False Indigo

Pot Size: 1 g

This Baptisia has nearly black, charcoal purple flowers almost good enough to eat. Late spring-early summer bloomer. Drought and poor soil tolerant and long-lived. Pollinators love!

Mature Size: 3.5-4'; **Light:** Sun/Part Sun; **Soil:** Dry/Moist

Price: \$16.00

BAPTISIA 'VANILLA CREAM'

Common Name: False Indigo

Pot Size: 1 g

Newly emerging spring foliage has a beautiful bronze cast which contrasts nicely with other spring green perennials planted nearby. As the foliage matures, it lightens to grey-green and forms a well-branched, full, rounded clump. Ten inch long spikes of pastel yellow buds open to creamy vanilla colored flowers from late spring into early summer.

Mature Size: 3'; **Light:** Sun/Part Shade; **Soil:** Dry/Moist

CAREX APPALACHICA

Common Name: Appalachian Sedge

Plant Size: Quart

A weeping sedge that grows in mounded tufts, this species is native to the Eastern US. Soft, fine texture is this plant's featured characteristic. Long one foot plus blades are as thin as hair and flow like water in the wind. In late spring a few wispy flower spikes will emerge attracting bees and birds alike.

Mature Size: 1-1.5'; **Light:** Full Sun/Shade;
Soil: Moist/Dry

Price: \$8.00

Stock: In stock

Tags: [Deer Resistant](#), [Drought Tolerant](#), [Native](#)

CAREX PENNSYLVANICA

Common Name: Pennsylvania Sedge

Pot Size: 1 g

This sedge is a low, clump forming species that produces a tall cluster of brown seed capsules. Foliage is very fine and when this plant is massed, wind can make it look like rolling hills.

Mature Size: .5-1'; **Light:** Sun/Shade; **Soil:** Dry/Moist

Price: \$12.00

CENTAUREA MONTANA

Common Name: Mountain Bluet,
Basket Flower

Price: \$12.00
Stock: In stock

Pot Size: 1 g

Large, showy, long-blooming violet flowers in late spring with spidery, fringed flower petals. Mountain Bluet will rebloom in fall if cut back after first blooming period. Tolerates hot dry sites; needs good drainage.

Mature Size: 1-2'; **Light:** Sun; **Soil:** Dry/Moist

CENTAUREA MONTANA 'AMETHYST DREAM'

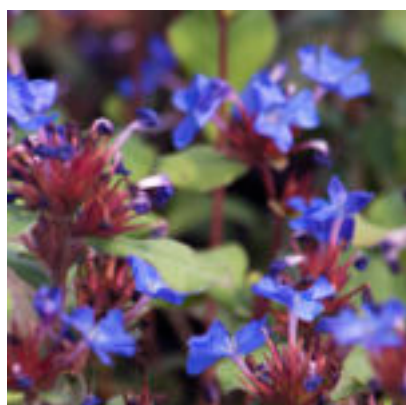

Common Name: Mountain Bluet,
Basket Flower

Price: \$12.00
Stock: In stock

Pot Size: 1 g

Striking deep purple fringed blooms appear atop lance shaped leaves in the spring. Handles hot weather with ease.

Mature Size: 1-2'; **Light:** Sun; **Soil:** Dry/Moist

CERATOSTIGMA PLUMBAGINOIDES

Common Name: Hardy Plumbago

Price: \$10.00
Stock: In stock
Tags: [☒ Fall Foliage](#), [☒ Staff Favorite](#)

Pot Size: 1 g

Versatile, long-lasting groundcover with cobalt-blue flowers and red calyces midsummer and scarlet fall foliage. Late to leaf out in spring but last until late fall. Plant with bulbs or other early flowering perennials to conceal late emergence.

Mature Size: 9-12"; **Light:** Sun/Shade; **Soil:** Dry/Moist

CHAMAELIRIUM LUTEUM

Common Name: Fairy Wand

Pot Size: Quart

Native member of the lily family that thrives in rich, moist, acidic, well-drained soils. Basal rosette of foliage has central flowering stalk. Male and female flowers are on separate plants (dioecious) and are displayed in mid-late spring. Flowers on the male plant grow in arching, plume-like spikes (up to 9"); flowers on female plants are in smaller spikes. Both attractive, female slightly more so.

Mature Size: 1-3'; **Light:** Part Shade/Shade; **Soil:** Moist

Price: \$12.00

Stock: Out of stock

Tags: [☒ Native](#), [☒ Pollinator Friendly](#)

CHELONE GLABRA

Common Name: Turtlehead

Pot Size: 1 g

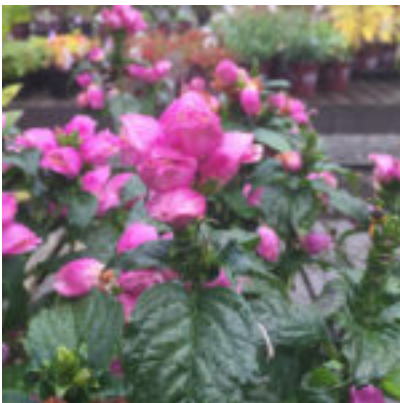

Native perennial with hooded, snapdragon-like, pink-tinged white flowers appear from August to October. White Clay Creek woodland denizen. Baltimore Checkspot caterpillar host.

Mature Size: 2-3'; **Light:** Part Shade/Shade; **Soil:** Moist/Wet

CLEMATIS 'DUCHESS OF EDINBURGH'

Common Name: Large-Flowered Clematis

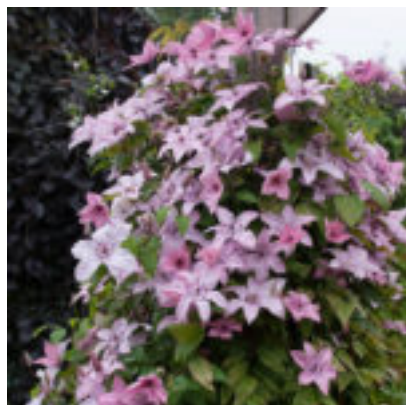

Pot Size: 1 g

A deciduous vine that becomes covered with a profusion of billowy double white flowers complimented by reddish tinged stems. Blooms once on old wood and again on new wood later in the season. Compact variety good for smaller spaces and containers.

Mature Size: 10-12'(vine); **Light:** Sun/Part Sun; **Soil:** Dry/Moist

Price: \$29.00

Stock: N/A

CLEMATIS 'HAGLEY HYBRID'

Common Name: Large-flowered Clematis

Price: \$29.00
Stock: N/A

Pot Size: 1 g

Compact, large-flowered clematis, producing masses of large (up to 6" wide) shell-pink flowers with a touch of lavender, contrasted with deep-red anthers. Blooms from early summer to early fall. Best trained on arbors, fences, or grown over or thru small shrubs. Flowers from current season's ripening stems. They should be pruned in late winter or early spring and require hard pruning: Cut back the stems to a pair of strong buds about 1' above ground level before growth begins in early spring. Clematis roots like to be in shade.

Mature Size: 7-10'; **Light:** Sun; **Soil:** Dry/Moist

CLEMATIS 'LITTLE LEMONS'

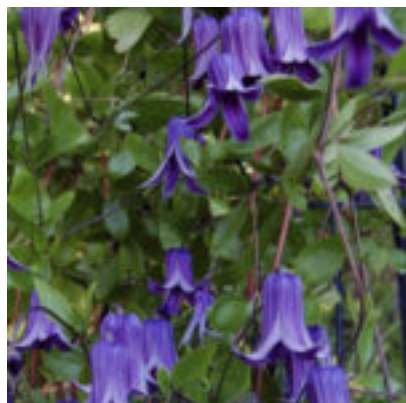

Common Name: Dwarf Clematis

Price: \$29.00
Stock: In stock

Pot Size: 1 g

Covered in petite, nodding, bell-shaped flowers in sunny yellow. We also love the fact that we can get two different garden features out of this clematis. It's compact, so you can start it in a container or hanging basket, where it will fill in and mature to a manageable mound.

Mature Size: 7-10'; **Light:** Sun; **Soil:** Dry/Moist

CLEMATIS 'ROOGUCHI'

Common Name: Clematis

Price: \$29.00
Stock: In stock

Pot Size: 1 g

Herbaceous, non-twining vine that may need staking. Heavy bloomer with cobalt blue, bell-shaped, 2" flowers summer-fall. Flowers on new growth; to prune, find buds swelling in spring, remove all dead growth just above them (about 6" off ground). Clematis roots like to be in shade.

Mature Size: 6-8' (vine); **Light:** Sun; **Soil:** Dry/Moist

COREOPSIS AURICULATA 'NANA'

Common Name: Dwarf Tickseed

Pot Size: Quart

A native evergreen perennial wildflower in the daisy family. This cultivar is low growing to 6-9 inches high and will spread slowly to 2 feet by underground stems. The bright showy yellow flowers appear singly in spring with an occasional light blooming during the summer.

Mature Height: 6-9" **Light:** Sun/Part Sun
Soil: Dry/Moist

Price: \$8.00

Stock: In stock

Tags: [☒ Deer Resistant](#), [☒ Drought Tolerant](#)

COREOPSIS 'CRÈME BRÛLÉE'

Common Name: Tickseed

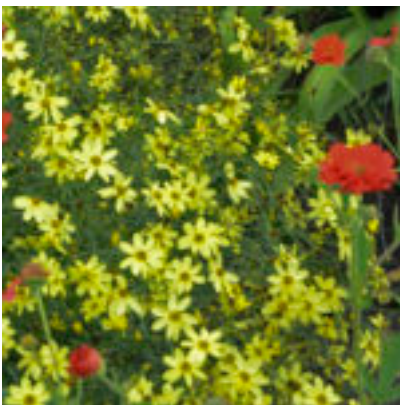

Pot Size: 1g

Coreopsis 'Crème Brûlée' is a flowering powerhouse, with buttery yellow flowers from June through September. The habit has an open center, such that the bulk of the foliage forms a ring around the perimeter.

Mature Height: 1-1.5' **Light:** Sun **Soil:** Moist

Price: \$10.00

Stock: In stock

COREOPSIS VERTICILLATA 'MOONBEAM'

Common Name: Threadleaf Coreopsis

Pot Size: 1 g

This cultivar is a vigorous hybrid Tickseed descended from native Thread Leaf Coreopsis. At a short stature with lovely lemon-yellow blooms, this is one of the most popular *Coreopsis* varieties. Moonbeam Tickseed is long-blooming and is in flower from early to late summer.

Mature Height: 1-1.5' **Light:** Sun **Soil:** Dry/Moist

Price: \$12.00

Stock: In stock

Tags: [☒ Deer Resistant](#), [☒ Drought Tolerant](#)

COREOPSIS VERTICILLATA 'ZAGREB'

Common Name: Threadleaf Coreopsis

Pot Size: 1 g

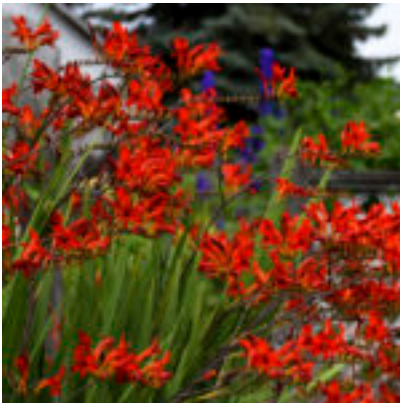

Excellent performer with bright golden-yellow flowers (a deeper yellow than 'Moonbeam') blooming from early through late summer. It forms an exceptionally bushy yet airy clump of fine, needle-like foliage on upright stems.

Mature Height: 1-1.5' **Light:** Sun/Part Sun
Soil: Dry/Moist

Price: \$10.00

Stock: In stock

EPIMEDIUM × VERSICOLOR 'SULPHUREUM'

Common Name: Fairy Wings/Barrenwort

Pot Size: 1 g

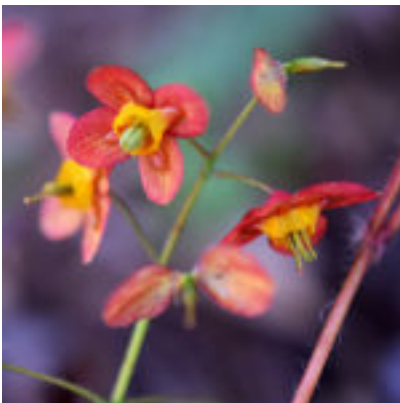

Pastel yellow sepals and butter yellow petals appear in April. Vigorous groundcover with heart-shaped foliage. Great for the shade garden. Very drought tolerant once established; deer don't browse.

Mature Size: 10-12"; **Light:** Part Shade/Shade; **Soil:** Dry/Moist

Price: \$18.00

Stock: In stock

Tags: [☒ Black Walnut Resistant](#), [☒ Deer Resistant](#), [☒ Drought Tolerant](#), [☒ Rabbit Resistant](#)

EPIMEDIUM × WARLEYENSE 'ELLEN WILLMOTT'

Common Name: Barrenwort

Pot Size: 1 g

In March, wiry stems topped with copper-orange flowers make this a standout barrenwort. Hybrid of *E. alpinum* and *E. pinnatum* ssp. *colchicum*. New copper green growth turns green in summer.

Mature Height: 1.3'; **Light:** Part Shade/Shade; **Soil:** Dry/Moist

Price: \$16.00

Stock: Out of stock

Tags: [☒ Black Walnut Resistant](#), [☒ Deer Resistant](#), [☒ Drought Tolerant](#), [☒ Rabbit Resistant](#)

ERAGROSTIS SPECTABILIS

Common Name: Purple Love Grass

Pot Size: 1 g

A warm season bunchgrass with flat, coarse, mostly basal, green leaves that form a somewhat disorganized clump of foliage. Soft reddish-purple flowers in a loose, open inflorescence appear in August, forming an airy cloud that covers the grass clump.

Mature Size: 18-24"; **Light:** Sun; **Soil:** Dry/Moist

Price: \$14.00

Stock: In stock

Tags: [☒ Black Walnut Resistant](#), [☒ Cut Flower](#), [☒ Drought Tolerant](#), [☒ Native](#)

ERIGERON PULCHELLIS VAR. PULCHELLIS 'LYNNHAVEN CARPET'

Common Name: Robin's Plantain

Pot Size: 1 g

Easy to grow, drought-tolerant native groundcover with fuzzy grey-green leaves form dense mat, topped in late spring with pale lavender, almost white daisies that rise a foot above the foliage. After flowering, cut down flower stalks for attractive groundcover. Weed suppressor due to dense, tight mat. Can be seen in UDBG's Herbaceous Garden swale and South Greenhouse Garden.

Mature Size: 1'; **Light:** Sun/Part Shade; **Soil:** Dry/Moist

Price: \$10.00

Stock: In stock

Tags: [☒ Deer Resistant](#), [☒ Native](#), [☒ Pollinator Friendly](#)

ERYNGIUM YUCCIFOLIUM

Common Name: Rattlesnake Master

Pot Size: Quart

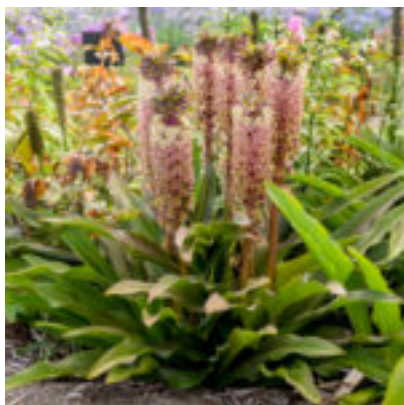

This plant looks like it belongs in the desert but it's native from Maryland to Minnesota and south to Texas. In summer, white flower orbs soar above the attractive bluish, sword-shaped leaves. Drought tolerant and low maintenance. Great in meadows, wildflower gardens or as a vertical accent.

Mature size: 2-5'; **Light:** Sun; **Soil:** Dry/Moist

Price: \$10.00

Stock: Out of stock

Tags: [☒ Cut Flower](#), [☒ Deer Resistant](#), [☒ Drought Tolerant](#), [☒ Pollinator Friendly](#), [☒ Rabbit Resistant](#)

EUCOMIS 'PRINCESS BRIDE'

Common Name: Pineapple Lily

Pot Size: 1 g

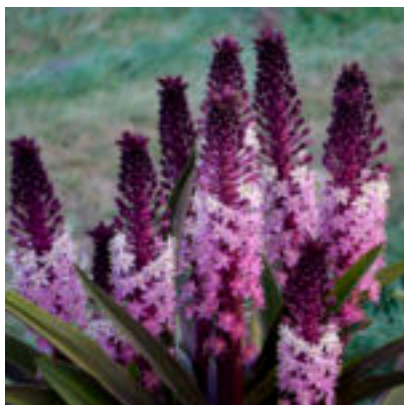

Rigidly upright flower spikes offer a unique tropical flair, showing passing resemblance to a pineapple while in bloom. This cultivar is notably compact, perfect for the front of the border or for use as a thriller in a mixed container.

Mature Size: 18-24"; **Light:** Sun; **Soil:** Dry/Moist

Price: \$12.00

Stock: In stock

Tag: [✕ Cut Flower](#)

EUCOMIS 'SAFARI ADVENTURE'

Common Name: Pineapple Lily

Pot Size: 1 g

Beginning in early summer, when deep olive green, wide, strap-shaped leaves emerge. Bicolor flowers (instead of solid rose) and lighter olive green leaves in early summer.

Mature Size: 2.5'; **Light:** Sun; **Soil:** Dry

Price: \$12.00

Stock: In stock

EUPHORBIA 'ASCOT RAINBOW'

Common Name: Spurge

Pot Size: Quart

A shrubby, dwarf, and evergreen perennial, this plant shows off stunning, lanced shaped rosettes, that are edged with yellow variegation. In early to mid spring you will see clusters of variegated white and lime-green flowers that create a striking effect with the foliage. As the temperatures cool, leaves will become pink tinged.

Mature Size: 1-2'; **Light:** Sun; **Soil:** Dry/Moist

Price: \$10.00

Stock: In stock

EUPHORBIA BLACKBIRD®

Common Name: Spurge

Pot Size: 1 g

The black-purple foliage of Blackbird spurge adorns the compact stems, forming a tight evergreen specimen. The deer-resistant foliage is topped, starting in early spring, with large compact heads of yellow flowers held just above the foliage by the bright red stems.

Mature Size: 12-18"; **Light:** Sun/Part Sun;
Soil: Dry/Moist **Cultivar:** 'Nothowlee'

Price: \$12.00

FRAGARIA x ANANASSA 'RUBY ANN'

Common Name: Everbearing Strawberry

Pot Size: 1 g

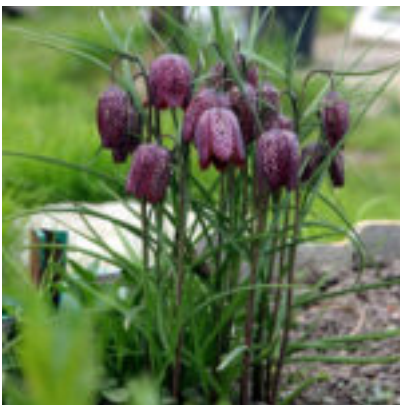

Combining showy flowers and delicious fruit, this everbearing strawberry can be grown as both an ornamental and edible perennial fruit. In addition to the sweet, medium sized fruit, 'Ruby Ann' produces ruby-red flowers in spring to give a pop to remind you to pay attention for the fruit!

Mature Size: 8-12"; **Light:** Sun; **Soil:** Moist

Price: \$8.00

Stock: In stock

Tags: [☒ Attracts Birds](#), [☒ Pollinator Friendly](#), [☒ Edible](#)

FRITILLARIA MELEAGRIS

Common Name: Snake's Head Fritillaria

Pot Size: 1 g

Somewhat dainty in appearance, featuring solitary (less frequently 2-3), drooping, bell-shaped flowers which are checkered and veined with reddish-brown, purple, white and gray atop slender stems growing to 15" tall. Blooms in April.

Mature Size: 8-12"; **Light:** Sun/Part Sun;
Soil: Moist

Price: \$14.00

Stock: In stock

Tags: [☒ Black Walnut Resistant](#), [☒ Deer Resistant](#)

GAILLARDIA ARISTATA 'ARIZONA SUN'

Common Name: Blanket Flower

Pot Size: Quart

Large fiery orange red blossoms of Arizona Sun are tipped by a ring of yellow. Forms a neat mound of lance-shaped, grayish-green leaves. Near end of season, leave spent flower heads for seed to attract goldfinches. Rabbit resistant.

Mature Size: .5-1'; **Light:** Sun; **Soil:** Dry/Moist

Price: \$8.00

Stock: N/A

Tags: [☒ Deer Resistant](#), [☒ Rabbit Resistant](#)

GENTIANA ANDREWSII

Common Name: Bottlecap Gentian

Pot Size: 1 g

Tight clusters of tubular (bottle-shaped), deep blue flowers which never open. Flower clusters appear at the tops of the stems or in the upper leaf axils in late summer to early autumn.

Mature Size: 12-24"; **Light:** Sun/Part Sun; **Soil:** Moist

Price: \$12.00

Stock: In stock

GERANIUM 'AZURE RUSH'

Common Name: Cranesbill

Pot Size: 1 g

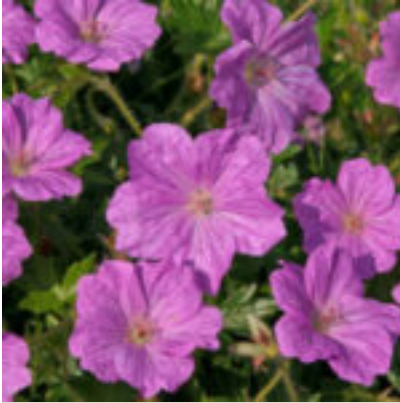

A worthy successor to 'Rozanne' with more compact habit and lighter lavender flowers. Flowers continuously from June to August; gently weaves its way through other perennials.

Mature Size: 1.5'; **Light:** Sun/Part Sun; **Soil:** Dry/Moist

Price: \$14.00

Stock: In stock

Tags: [☒ Black Walnut Resistant](#), [☒ Deer Resistant](#)

GERANIUM 'BLUSHING TURTLE'

Common Name: Cranesbill

Pot Size: 1 g

Slowly spreading mound of foliage (resembling the shape of a turtle), orchid pink flowers marked with darker reddish-purple veins. Flowers bloom heavily in late spring with continued but sporadic rebloom occurring throughout summer into fall. Deeply-lobed, rich green, maple leaf-like foliage.

Mature Size: 18-24"; **Light:** Sun/Part Sun;
Soil: Moist

Price: \$14.00

Stock: In stock

Tags: [☒ Black Walnut Resistant](#), [☒ Deer Resistant](#)

GERANIUM CINEREUM 'BALLERINA'

Common Name: Cranesbill

Pot Size: Quart

Compact Geranium produces a load of cupped, pale pink flowers that are accented with deep purple veins and a dark spot at the petal base. Flowers are above a low mound of gray green foliage.

Mature Size: 4-6"; **Light:** Sun/Part Sun;
Soil: Dry/Moist

Price: \$10.00

Stock: In stock

Tags: [☒ Black Walnut Resistant](#), [☒ Deer Resistant](#)

GERANIUM CINEREUM 'SATEENE'

Common Name: Cranesbill

Pot Size: Quart

Deep pink flowers with an attractive silver sheen. Low-growing species with small, deeply divided, slightly tufted, gray-green foliage.

Mature Size: 4-6"; **Light:** Sun/Part Sun;
Soil: Dry/Moist

Price: \$10.00

Stock: In stock

Tags: [☒ Black Walnut Resistant](#), [☒ Deer Resistant](#)

GERANIUM 'GERWAT'

Common Name: Rozanne®
Cranesbill

Price: \$14.00
Stock: In stock

Pot Size: 1 g

One of the longest blooming perennials here at UDBG, this free-flowering cultivar starts with a light purple flower in late spring which continues through early fall. In one season, this perennial could cover 2-3 square feet.

Mature Size: 12"; **Light:** Sun/Part Shade;
Soil: Moist

GERANIUM MACRORRHIZUM 'INGWERSEN'S VARIETY'

Common Name: Cranesbill, Hardy Geranium

Price: \$12.00
Stock: In stock
Tags: [☑ Black Walnut Resistant](#), [☑ Deer Resistant](#)

Pot Size: 1 g

Profuse clusters of soft pink flowers in late spring to early summer. Fragrant foliage slowly forms a groundcover, dense enough to suppress weeds. Roots aren't aggressive and it won't harm shallower rooted shrubs. Useful as an edging plant. Grows best in rich moist to well-drained soil, but tough and tolerates sand and clay.

Mature Size: 1'; **Light:** Sun/Part Shade;
Soil: Dry/Moist

GERANIUM MACRORRHIZUM 'BEVAN'S VARIETY'

Common Name: Bigroot Geranium

Price: \$8.00
Stock: In stock
Tags: [☑ Black Walnut Resistant](#), [☑ Deer Resistant](#)

Pot Size: Quart

Deep magenta flowers with dark red sepals appear in terminal clusters above the foliage from mid to late spring. A sporadic rebloom may occur in summer.

Mature Size: 8-10"; **Light:** Sun/Part Shade;
Soil: Moist

GERANIUM MACULATUM

Common Name: Wild Cranesbill

Pot Size: 1 g

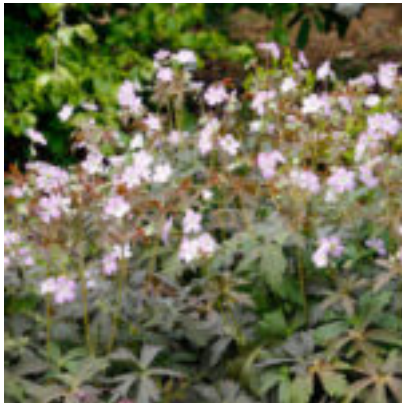

Woodland native, found throughout the eastern half of the U.S, this species delivers an abundance of bright lavender flowers that are super-attractive to pollinators. Solitary bees, bumble bees and several species of butterflies are drawn to its nectar and pollen.

Mature Size: 12-24"; **Light:** Sun/Shade;
Soil: Moist

Price: \$12.00

Stock: In stock

Tags: [☒ Black Walnut Resistant](#), [☒ Deer Resistant](#)

GERANIUM MACULATUM 'ESPRESSO'

Common Name: Wild Cranesbill

Pot Size: 1 g

Lavender with a bold burgundy textured palmate foliage. Similar to the height and spread of the straight species, 'Espresso' provides dimension to the shade garden with the darker leaves and blooms in late spring and early summer. Another bonus, the semi-evergreen foliage darkens to a deeper hue in the fall and has attractive autumn color.

Mature Size: 12-24"; **Light:** Sun/Shade;
Soil: Moist

Price: \$12.00

Stock: In stock

Tags: [☒ Black Walnut Resistant](#), [☒ Deer Resistant](#), [☒ Native](#)

GERANIUM PHAEUM 'RAVEN'

Common Name: Cranesbill

Pot Size: Quart

From spring to summer, you'll be charmed by flat-faced, near-black flowers with white eye and reddish-purple luster.

Mature Size: 12-18"; **Light:** Part Sun/Shade; **Soil:** Dry/Moist

Price: \$10.00

Stock: Out of stock

Tags: [☒ Black Walnut Resistant](#), [☒ Deer Resistant](#)

GERANIUM PRATENSE 'BLACK & WHITE'

Common Name: Geranium

Pot Size: 1 g

This geranium will form large clumps and will colonize large areas if allowed. Open violet-white flowers, delicately traced with dark lines, glow against bronze-purple foliage.

Mature Size: 12-14"; **Light:** Sun/Part Sun;
Soil: Moist

Price: \$16.00

Stock: In stock

Tags: [☒ Black Walnut Resistant](#), [☒ Deer Resistant](#)

GERANIUM PRATENSE 'CLOUD NINE'

Common Name: Cranesbill

Pot Size: 1 g

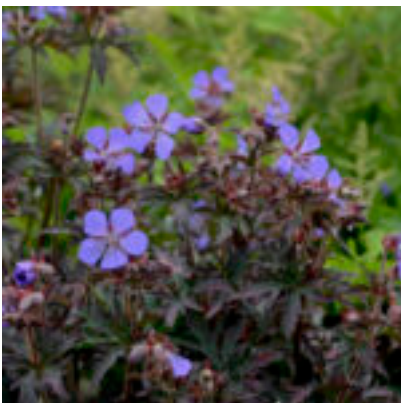

Fully-double duck egg blue flowers and an exceptionally long flowering period, from May-August in this area. Spreading habit over time.

Mature Size: 12-18"; **Light:** Sun; **Soil:**
 Moist

Price: \$12.00

Stock: In stock

Tags: [☒ Black Walnut Resistant](#), [☒ Deer Resistant](#)

GERANIUM PRATENSE 'DARK REITER'

Common Name: Cranesbill

Pot Size: Quart

This attractive dark-leaved selection forms a compact mound of finely cut, plum purple foliage. From early to late summer, clusters of vibrant lilac blue flowers contrast nicely with the foliage.

Mature Size: 10"; **Light:** Shade/Part Sun;
Soil: Moist

Price: \$10.00

Stock: Out of stock

Tags: [☒ Black Walnut Resistant](#), [☒ Deer Resistant](#)

GERANIUM SANGUINEUM 'MAX FREI'

Common Name: Bloody Cranesbill

Pot Size: 1 g

Noted for its compact mounding growth habit and magenta-purple flowers May into August. Front of the border plant with long season of interest, including shades of red fall color.

Mature Size: 10-12"; **Light:** Sun/Part Shade; **Soil:** Moist

Price: \$12.00

Stock: In stock

Tags: [☑ Black Walnut Resistant](#), [☑ Deer Resistant](#)

GERANIUM SANGUINEUM 'NEW HAMPSHIRE PURPLE'

Common Name: Bloody Cranesbill

Pot Size: 1 g

Magenta flowers atop compact, spreading mounds of foliage. Intricately cut leaves are green for most of the season but earn their namesake from the brilliant crimson-red they turn in fall.

Mature Size: 9-12"; **Light:** Sun/Part Sun; **Soil:** Moist

Price: \$12.00

Stock: In stock

Tags: [☑ Black Walnut Resistant](#), [☑ Deer Resistant](#)

Stock: In stock

Tags: [☑ Deer Resistant](#), [☑ Rabbit Resistant](#)

HAKONECHLOA MACRA 'ALL GOLD'

Common Name: Hakone Grass

Pot Size: 1 g

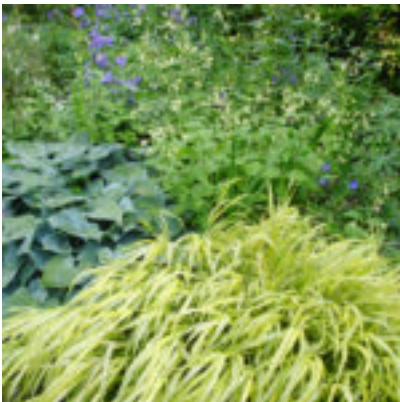

Brighten up a shady area or woodland garden with these ribbons of gold foliage. More upright than other Hakone cultivars and very drought tolerant once established. Very tough plant. In full sun, will turn bright gold; lower light results in more chartreuse color.

Mature Size: 1-2'; **Light:** Part Sun/Shade; **Soil:** Moist

Price: \$14.00

Stock: In stock

Tags: [☑ Deer Resistant](#), [☑ Rabbit Resistant](#)

HAKONECHLOA MACRA 'AUREOLA'

Common Name: Hakone Grass

Pot Size: 1 g

Arching ribbons of chartreuse and green foliage softly illuminate the shade garden with an Asian nuance. Despite its delicate appearance, this plant is tough as nails and spreads very slowly.

Mature Size: 1'; **Light:** Part Shade/Shade; **Soil:** Moist

Price: \$14.00

Stock: In stock

Tags: [☑ Deer Resistant](#), [☑ Rabbit Resistant](#)

HAKONECHLOA MACRA 'BENI-KAZE'

Common Name: Japanese Forest Grass

Pot Size: 1 g

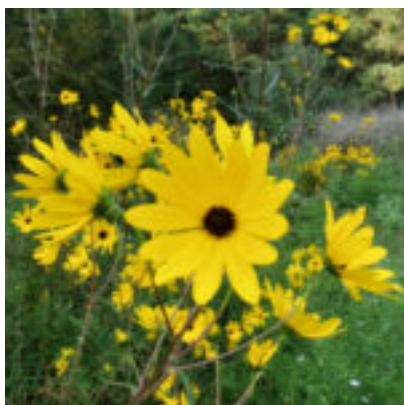

Slender, bright green blades form a flowing mound that work well in borders and tight corners where a texture change is needed. In late summer leaf blades develop red streaks that progress to a deeper red, then orange and gold as fall marches onward.

Mature Size: 12-18"; **Light:** Part Shade/Shade; **Soil:** Moist

Price: \$18.00

Stock: In stock

Tags: [☒ Deer Resistant](#), [☒ Fall Foliage](#), [☒ Rabbit Resistant](#)

HELIANTHUS ANGUSTIFOLIUS

Common Name: Swamp Sunflower

Pot Size: 1 g

Upright clumping perennial wildflower. The attractive leaves are bright green, thick and glossy. In late summer, golden flowers emerge. This late blooming sunflower extends the season of yellow flowers until frost.

Mature Size: 5-8'; **Light:** Sun/Part Sun; **Soil:** Moist/Wet

Price: \$10.00

HEPATICA ACUTILOBA

Common Name: Sharp-lobed Liverleaf

Pot Size: Quart

Native perennial is a harbinger of spring and always a pleasant surprise in the early spring garden or local woods (if you can find it!). White, pink or bluish flowers first appear before the new leaves and persist for up to two months. Three-lobed, pointed, leathery, semi-evergreen leaves emerge after flowers. Prefers rich, moist, well-drained soil, neutral to acid.

Mature Size: 4-8"; **Light:** Partial Shade/Shade; **Soil:** Moist

Price: \$10.00

Stock: In stock

Tags: [☒ Native](#), [☒ Pollinator Friendly](#)

HEUCHERA AMERICANA 'GREEN SPICE'

Common Name: Coral Bells

Leaves show a beautiful silver marbling with green leaves and red veins that develop during the cooler weather of early spring and fall. Tiny white flowers in summer. Pumpkin fall color.

Mature Size: 8-10"; **Light:** Sun/Part Shade; **Soil:** Dry/Moist

Price: \$16.00

Stock: Out of stock

Tags: [☒ Deer Resistant](#), [☒ Native](#), [☒ Rabbit Resistant](#)

HEUCHERA 'BLACKOUT'

Common Name: Coral Bells

Pot Size: 1 g

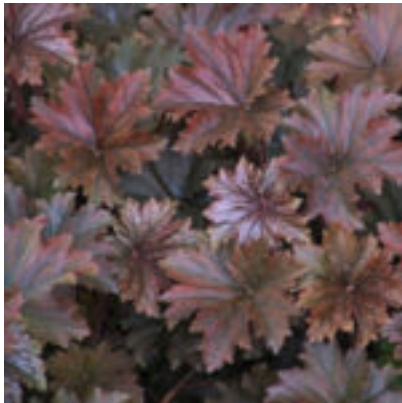

Noted for its glossy, rounded, near black leaves that remain dark throughout the growing season. Foliage forms a compact basal mound that give rise to small, creamy white flowers borne in open, airy panicles appear in late spring to early summer.

Mature Size: 6-18"; **Light:** Sun/Part Shade; **Soil:** Dry/Moist

Price: \$12.00

Stock: In stock

Tags: [☒ Black Walnut Resistant](#), [☒ Drought Tolerant](#)

HEUCHERA VILLOSA 'BRONZE WAVE'

Common Name: Alum Root, Coral Bells

Pot Size: 1g

'Bronze Wave' is a large cultivar with an excellent habit and vigor. The leaves are a large thick, and glossy bronze hue. The slightly open habit allows for the occasional glimpse of the purple underside of the leaf. Flowers alone are not significant but create a nice display in a mass.

Mature Size: 18-24"; **Light:** Shade/Part Shade; **Soil:** Dry/Moist

Price: \$12.00

Stock: Out of stock

HEUCHERA 'FRILLY'

Common Name: Coral Bells

Pot Size: 1 g

Ridiculously ruffled leaves are rich caramel-pink on top and mauve on the bottom. Transitioning to fall, this lovely mound turns burgundy with the cooler weather. Pale pink flowers mid-summer.

Mature Size: 8-12"; **Light:** Part Shade/Shade; **Soil:** Dry/Moist

Price: \$16.00

Stock: In stock

Tags: [☒ Black Walnut Resistant](#), [☒ Drought Tolerant](#)

HEUCHERA 'GUACAMOLE'

Common Name: Coral Bells

Pot Size: 1 g

Large, bright lime green foliage brightens the shady woodland garden or container. Creamy white flowers appear above foliage in late spring-summer.

Mature Size: 1-2'; **Light:** Sun/Part Shade; **Soil:** Dry/Moist

Price: \$16.00

Stock: Out of stock

Tags: [☒ Deer Resistant](#), [☒ Rabbit Resistant](#)

HEUCHERA 'MIDNIGHT ROSE'

Common Name: Coral Bells

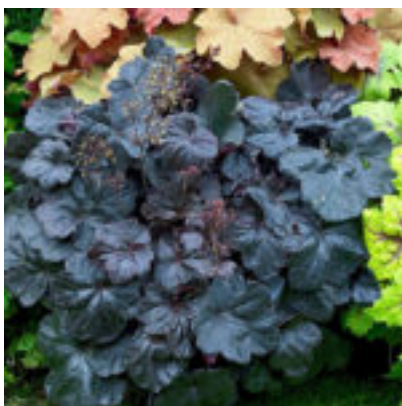

Pot Size: 1 g

One of the more unusual heucheras on the market, this plant displays pink-spotted, black leaves which enlarge and brighten before lightening to cream as the growing season progresses. Sport of 'Obsidian'. Small, creamy white flowers in open airy panicles late spring/early summer on purple stems.

Mature Size: .8'; **Light:** Sun/Part Shade; **Soil:** Dry/Moist

Price: \$18.00

Stock: N/A

HEUCHERA 'OBSIDIAN'

Common Name: Coral Bells

Pot Size: 1 g

Grown for its lovely, luscious and lobed with dark purple, almost black foliage and cream-colored flowers from late spring to early summer. Drought tolerant once established.

Mature Size: 10-12"; **Light:** Sun/Part Shade; **Soil:** Moist

Price: \$16.00

Stock: In stock

HEUCHERA X 'TNHEUFP' FOREVER® PURPLE

Common Name: Forever® Purple Coral Bells

Price: \$16.00
Stock: In stock
Tag: [☒ Staff Favorite](#)

Pot Size: 1 g

The cultivar of this plant says it all, this plant displays ultra-purple glossy leaves with fluted edges and shows great vigor to top it off. Very short spikes of purple-pink flowers in summer add display to the 4 seasons of interest plant.

Mature Size: 1-1.25'; **Light:** Part Sun/Shade;
Soil: Dry/Moist

HEUCHERA NORTHERN EXPOSURE™ SIENNA

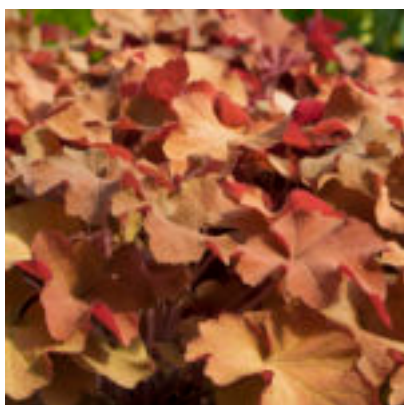

Common Name: Sienna Coral Bells

Price: \$16.00
Stock: In stock
Tags: [Hummingbird](#), [☒ Deer Resistant](#)

Pot Size: 1 g

Apple green lobed leaves in spring shift to warm sienna in summer. Panicles of bell-shaped, vivid pink flowers from April-June. Long lived, hardy, rust resistant.

Mature Size: 12-14"; **Light:** Sun/Part Sun;
Soil: Dry/Moist **Cultivar:** 'TNHEUNESI'

HEUCHERA VILLOSA 'CAMEL'

Common Name: Coral Bells

Price: \$14.00
Stock: In stock
Tags: [☒ Drought Tolerant](#), [☒ Native](#), [☒ Pollinator Friendly](#)

Pot Size: 1 g

Scrumptious apricot foliage with spires of light pink flowers in early summer. Very drought and humidity tolerant. Mound growth habit.

Mature Size: 12-24"; **Light:** Part Sun/Shade; **Soil:** Dry/Moist

HEUCHERA VILLOSA V. MACRORRHIZA 'AUTUMN BRIDE'

Common Name: Hairy Alumroot

Pot Size: 1 g

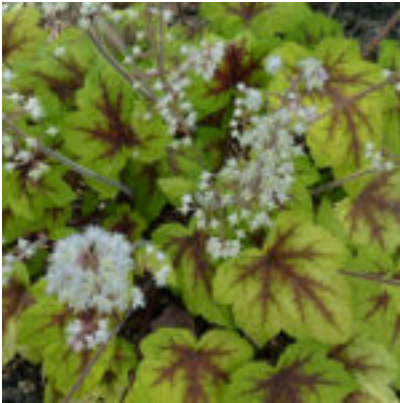

An outstanding native perennial for many reasons: velvety textured leaves; tall, creamy white flower spikes in late summer into fall. Tough as nails and very drought tolerant it spreads through rhizomes and reseeds, forming a groundcover that suppresses weeds. Grows outside UDBG's office.

Mature Size: 1.5'; **Light:** Sun/Part Shade;
Soil: Dry/Moist

Price: \$14.00

Stock: In stock

HOSTA SHADOWLAND® 'EMPRESS WU'

Common Name: Plantain Lily

Price: \$18.00
Stock: In stock

Pot Size: 1 gal

Hosta cultivars offer endless combinations of color, textures, and sizes. They can serve as a focal point or can blend disparate plant textures and colors with their broad foliage. Giant hosta, perhaps the largest. Thick, wavy dark green, deeply veined leaves. Pale reddish violet flowers early summer-midsummer.

Mature Size: 3-4'; **Light:** Part Sun/Shade;
Soil: Moist

Photo: Walters Garden

HOSTA 'GUACAMOLE'

Common Name: Plantain Lily

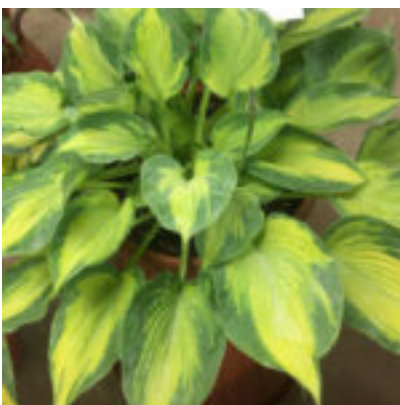

Price: \$16.00
Stock: In stock
Tags: [Hummingbird](#), [☒ Drought Tolerant](#)

Pot Size: 1 g

Large, convex, wide oval shaped, apple-green (or guacamole) colored leaves with irregular dark bluish-green margins. Leaves emerge all green and coloration intensifies as season progresses. Fragrant white flowers late summer.

Mature Size: 1.5'; **Light:** Part Sun/Shade;
Soil: Moist

Photo: Walters Garden

HOSTA 'SISTER ACT'

Common Name: Plantain Lily

Price: \$14.00
Stock: In stock
Tags: [Hummingbird](#), [☒ Black Walnut Resistant](#), [☒ Drought Tolerant](#), [☒ Salt Tolerant](#)

Pot Size: 1 g

Leaves on 'Sister Act' emerge with a wax coating in spring which gives the gold center a hazy appearance and makes the margins blue. In summer, the leaves turn bright gold and the margins become dark green.

Mature Size: 15"-20"; **Light:** Part Shade/Shade; **Soil:** Moist/Average

Image courtesy: Walters Gardens

HOSTA 'SPARTACUS'

Common Name: Plantain Lily

Pot Size: 1 g

Green leaves that have a heavily rippled gold border illuminate the garden with brightly contrasted heart-shaped leaves.

Mature Size: 18"; **Light:** Partial Shade/Shade; **Soil:** Moist/Average

Price: \$10.00

Stock: In stock

Tags: [Hummingbird](#), [Black Walnut Resistant](#), [Drought Tolerant](#), [Salt Tolerant](#)

HOSTA 'UNDULATA ALBOMARGINATA'

Common Name: Plantain Lily

Pot Size: 1 g

One of the first hostas to come up in the spring. Medium green leaves with wavy, white margins and gray-green streaks at the junction of the margin and center.

Mature Size: 16-18"; **Light:** Partial Shade/Shade; **Soil:** Moist

Photo Courtesy of Walter's Gardens

Price: \$12.00

Tags: [Hummingbird](#), [Black Walnut Resistant](#), [Drought Tolerant](#), [Salt Tolerant](#)

HOSTA 'WIGGLES AND SQUIGGLES'

Common Name: Plantain Lily

Pot Size: 1 g

Bright yellow leaves are very long and thin and notable for their incredibly wavy margins. It forms a low, wide habit comparable to 'Blue Mouse Ears'. Leaves will be more chartreuse green in more shade; for best yellow color, plant in a site with morning sun and afternoon shade.

Mature Size: 8-10"; **Light:** Partial Shade/Shade; **Soil:** Moist

Price: \$14.00

Stock: In stock

Tags: [Hummingbird](#), [Black Walnut Resistant](#), [Drought Tolerant](#), [Salt Tolerant](#)

IRIS CRISTATA 'ALBA'

Common Name: White Dwarf Crested Iris

Pot Size: Quart

Narrow, sword-shaped, yellowish-green to medium green leaves arise from a network of branching rhizomes. Spreads quickly and forms dense colonies in optimum growing conditions. 'Alba' features white flowers with gold crests borne on 6" tall stems as opposed to the species type light blue flower.

Mature Size: 4-6"; **Light:** Part Shade/Shade; **Soil:** Moist

Price: \$10.00

Stock: In stock

Tags: [☒ Drought Tolerant](#), [☒ Native](#), [☒ Dwarf and Miniature](#)

IRIS ENSATA 'ROSE QUEEN'

Common Name: Japanese Iris

Pot Size: 1 g

Graceful blush pink blooms stand on 3' strappy foliage which persists through the summer. Deer resistant and water loving, this plant is a great addition to the June garden.

Mature Size: 3'; **Light:** Sun; **Soil:** Moist/Wet

Price: \$12.00

Stock: In stock

IRIS ENSATA 'VARIEGATA'

Common Name: Striped Japanese Iris

Pot Size: 1 g

Winning attributes of this stunning specimen iris: Crepe paper-like flowers, deep purple with a reddish sheen; vivid cerise flushed deep purple falls; variegated green and creamy-white foliage. Late June bloomer.

Mature Size: 2.5-3'; **Light:** Sun; **Soil:** Moist/Wet

Price: \$14.00

Stock: In stock

Tags: [☒ Deer Resistant](#), [☒ Salt Tolerant](#), [☒ Wet Soil](#)

IRIS GERMANICA 'PUDDY TAT'

Common Name: Dwarf Bearded Iris

Pot Size: 1 g

One of the first irises to bloom in the spring. Its standards are bluish white, while its deep purple-black falls display white starbursts below the pale blue beards.

Mature Size: 10-14"; **Light:** Sun/Part Sun;
Soil: Moist

Price: \$16.00

Stock: In stock

Tags: [☒ Deer Resistant](#), [☒ Salt Tolerant](#)

IRIS GERMANICA 'WAR CHIEF'

Common Name: Bearded Iris

Pot Size: 1 g

Ruffled petals of deep velvety red are set off with fiery gold beards. These non-fading blooms appear in abundance on tall stems that can have 4 branches, each producing flowers.

Mature Size: 30-36"; **Light:** Sun/Part Sun;
Soil: Moist

Price: \$16.00

Stock: In stock

Tags: [☒ Deer Resistant](#), [☒ Salt Tolerant](#)

IRIS GERMANICA 'ZOOBOOMAFOO'

Common Name: Bearded Iris

Pot Size: 1 g

Avid watchers of PBS may recognize the cultivar name of this plant, turns out, it is still just a plant, and not a lemur. To go along with a pronounced "spicy" fragrance, this Iris boasts a fantastic yellow flower inlaid with orange/burgundy in its beard and ruffled edge.

Mature Size: 12-18"; **Light:** Sun/Part Sun;
Soil: Moist

Price: \$16.00

Stock: In stock

Tags: [☒ Deer Resistant](#), [☒ Drought Tolerant](#), [☒ Fragrant](#)

IRIS PSEUDATA 'YARAI'

Common Name: Pseudata Iris

Pot Size: 1 g

Flowers in early summer as a unique peach blend with deep purple veining and a prominent yellow throat. Large flowers stand atop typical iris foliage. From trials at Walter's Garden, this plant showed "excellent vigor and healthy foliage compared with other Iris of its class".

Mature Size: 2-2.5; **Light:** Sun/Part Sun;

MONARDA DIDYMA 'JACOB CLINE'

Common Name: Beebalm

Pot Size: 1 g

Considered the most mildew-resistant native plant cultivar on the market. Tufted-red flowers adorn this plant midsummer, luring butterflies, hummingbirds and other pollinators. With their fragrant foliage and square stems, monardas are easily identifiable.

Mature Size: 18-24"; **Light:** Sun; **Soil:** Moist

Price: \$12.00

Stock: In stock

MONARDA 'LEADING LADY ORCHID'

Common Name: Beebalm

Pot Size: 1 g

This cultivar leads the way in early summer, flowering earlier and forming a more compact clump than other Beebalm. Densely branched, dark green, somewhat glossy foliage topped with orchid pink blossoms and lighter pink interiors creating a bicolor effect.

Mature Size: 10-14"; **Light:** Sun; **Soil:** Moist

ONOCLEA SENSIBILIS

Common Name: Sensitive Fern

Pot Size: Quart

This fern features long-stalked, deeply pinnate, bright green, vegetative (sterile) fronds with leathery, triangular leaflets which have distinctively netted veins. Shorter, erect, woody-like fertile fronds typically brown up (hence the "sensitive") in late summer and persist throughout the remaining season and winter.

Mature Size: 12-24"; **Light:** Part
 Shade/Shade; **Soil:** Moist/Wet

OPHIPOGON PLANISCAPUS 'NIGRESCENS'

Common Name: Black Mondo Grass

Plant Size: Quart

Striking form of mondo grass, growing in little tufts with nearly black-purple foliage and lilac-colored flowers followed by blue-black fruit. Grows and propagates very slowly, though tough, hardy, and thoroughly worth the wait and effort. Excellent planted along edges of paving to soften hardscape, or planted en masse as groundcover, or in between stepping stones. Full sun heightens the black color, but does equally well in shade.

Mature Size: 9-12"; **Light:** Sun/Partial Shade; **Soil:** Dry/Moist

Price: \$12.00

Stock: In stock

Tags: [☒ Black Walnut Resistant](#), [☒ Deer Resistant](#), [☒ Drought Tolerant](#), [☒ Rabbit Resistant](#)

OREDENIA 'FUSION OF FIRE'

Common Name: Oredenia

Pot Size: 1 g

A intergeneric combination of *Mukdenia* and *Oresitrophe*, this plant takes the best of both plants for a one of a kind new perennial. The *Mukdenia* background lends notched leaves and brilliant red fall color. *Oresitrophe* provides massive leaves at more than 12" wide and sprays of blushing pink flowers in spring.

Mature Size: 12-14"; **Light:** Part Shade/Shade; **Soil:** Moist

POLYGONATUM BIFLORUM

Common Name: Smooth Solomon's Seal

Pot Size: Quart

Native, clump-forming, rhizomatous perennial with graceful, arching stems that bear dangling, greenish-white flowers along the underside of the stem. Flowers appear late spring into summer, followed by spherical black fruit.

Mature Size: 12-28"; **Light:** Part Shade/Shade; **Soil:** Moist

Price: \$10.00

Stock: N/A

Tags: [x Native](#), [x Wet Soil](#)

POLYGONATUM ODORATUM 'RUBY SLIPPERS'

Common Name: Solomon's Seal

Pot Size: 1 g

This Solomon's Seal gets its name, 'Ruby Slippers', from the bright red, upright and slightly arching stems that are red from base to tip. Solid deep green leaves have silvery undersides. The plants are produced in colonies and will spread in the garden via rhizome.

Mature Size: 18-24'; **Light:** Part Shade/Shade; **Soil:** Moist

Price: \$12.00

Stock: In stock

Tags: [x Fall Foliage](#), [x Staff Favorite](#), [x Wet Soil](#)

POLYGONATUM ODORATUM 'VARIEGATUM'

Common Name: Variegated Solomon's Seal

Pot Size: 1 g

Low maintenance, very drought tolerant, deep or partial shade perennial grown for cream-white edged green foliage. In May, pendulous, bell-shaped white flowers droop beneath arching stems. Slow to get started but once it's established, rhizomes spread.

Mature Size: 18-24'; **Light:** Part Shade/Shade; **Soil:** Moist

Price: \$10.00

Stock: In stock

Tags: [x Fall Foliage](#), [x Wet Soil](#)

POLYGONATUM 'PRINCE CHARMING'

Common Name: Solomon's Seal

Pot Size: 1 g

This Solomon's Seal makes an amazing, tightly bunched, heavy flowering clump of 15" tall stems, adorned, starting for us in late April, with hundreds of pendant white flowers that morph into beautiful blue fruit in autumn.

Mature Size: 6-12"; **Light:** Part Shade/Shade; **Soil:** Moist

Price: \$10.00

Stock: In stock

Tags: [☒ Fall Foliage](#), [☒ Wet Soil](#)

POLYSTICHUM ACROSTICHOIDES

Common Name: Christmas Fern

Pot Size: 1 g

Despite the common name, this is a plant for all seasons and an essential component in every garden. Dark evergreen fronds, drought tolerance, excellent groundcover (when planted in drifts), winter interest, sun to full shade, and ease of maintenance make it indispensable. If planted in sun, may require supplemental water. Once established in shade, very drought tolerant.

Mature Size: 2-3'; **Light:** Part Shade/Shade; **Soil:** Dry/Moist

Price: \$14.00

Stock: In stock

Tags: [☒ Deer Resistant](#), [☒ Drought Tolerant](#), [☒ Native](#), [☒ Rabbit Resistant](#)

POLYSTICHUM POLYBLEPHARUM

Common Name: Japanese Tassel Fern

Pot Size: 1 g

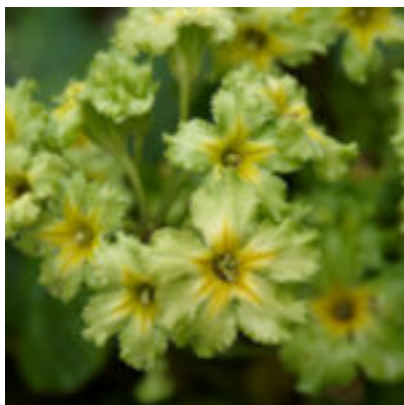

(Syn: Polystichum setosum) Evergreen fern. Shiny, bipinnate, dark green fronds (1-2' long) with finely divided but overlapping pinnae. Outward-spreading, vase-shaped clump to 24" tall and 24" wide. Crosiers flip over backwards to form tassels as the newly-emerging fronds unfurl. Tassels disappear as fronds flatten with maturity.

Mature Size: 2'; **Light:** Part Shade/Shade; **Soil:** Moist

Price: \$14.00

Stock: In stock

Tags: [☒ Deer Resistant](#), [☒ Rabbit Resistant](#)

PRIMULA POLYANTHUS 'FRANCESCA'

Common Name: Primrose

Pot Size: Quart

Touted as the longest blooming of the species, this cultivar's unique signature is her plentiful ruffled celadon-green flowers with glowing yellow eyes sitting on stems that waft a sweet aroma that lasts for several weeks in cut arrangements. This trim compact Primula makes a steadfast semi-evergreen addition to containers, courtyards and border edges.

Mature Size: 12-14"; **Light:** Sun/Shade;
Soil: Moist

Price: \$8.00

[☒ Rabbit Resistant](#)

RATIBIDA COLUMNIFERA 'RED MIDGET'

Common Name: Mexican Hat Plant

Pot Size: Quart

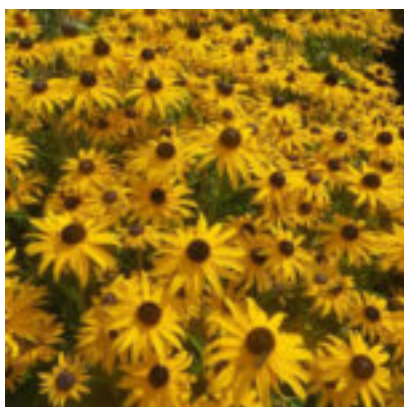

Yellow-edge luscious red petal with prominent cone that protrudes 2" above petals. Drought tolerant with bloom late summer into fall. Native plant that mixes well in perennial border or meadow planting.

Mature Size: 12-18"; **Light:** Sun/Part Sun;
Soil: Dry/Moist

Price: \$8.00

Stock: In stock

Tags: [☒ Clay Soil Tolerant](#), [☒ Pollinator Friendly](#)

RUDBECKIA FULGIDA VAR. SULIVANTII 'GOLDBLITZ'

Common Name: Black-eyed Susan

Pot Size: 1 g

This cultivar of *Rudbeckia* is an early-flowering burst of sable and gold that arrives on the garden scene a full 3 weeks earlier than other *Rudbeckias*! 'Goldblitz' is smaller and has shiny green leaves instead of the scratchy coarse foliage this species is known for.

Mature Size: 24-28"; **Light:** Sun; **Soil:**
 Dry/Moist

Price: \$10.00

Stock: In stock

Tags: [☒ Cut Flower](#), [☒ Native](#), [☒ Salt Tolerant](#)

RUDBECKIA FULGIDA VAR. 'SULLIVANTII 'GOLDSTURM'

Common Name: Black-eyed Susan

Pot Size: 1 g

Golden yellow petals surround brown centers, set atop deep green foliage. Unbothered by most pests, poor soils, drought and humidity, 'Goldsturm' is easygoing and the perfect addition to flower arrangements and pollinator gardens. Deer resistant and long-lasting.

Mature Size: 18-24"; **Light:** Sun; **Soil:** Moist

Price: \$10.00

Stock: In stock

Tags: [☒ Cut Flower](#), [☒ Deer Resistant](#), [☒ Native](#), [☒ Salt Tolerant](#)

RUDBECKIA SUBTOMENTOSA 'HENRY EILERS'

Common Name: Sweet Coneflower

Pot Size: 1 g

Yellow, finely quilled rays, blooming summer-fall. Native perennial, attracts Lepidoptera and birds.

Mature Size: 3-5'; **Light:** Sun; **Soil:** Dry/Moist

Price: \$12.00

SEDUM TERNATUM

Common Name: Whorled Stonecrop

Pot Size: 1 g

Unlike other sedums, this one grows well in both sun and full shade. Spreads to form a dense groundcover and in late spring, covered with starry-white flowers. Denizen of our local woodlands.

Mature Height: 1'; **Light:** Sun/Shade; **Soil:** Moist/Dry

Price: \$10.00

Stock: In stock

SEDUM TERNATUM 'LARINEM PARK'

Common Name: Whorled Stonecrop

Pot Size: Quart

A low-growing, succulent native groundcover for shade, it carpets the woodland floor with whimsical round leaves arranged in threes. In spring it is covered in white star-shaped flowers. A slowly spreading, floriferous selection from Mineral County, WV. Is more tolerant of shade and moisture than other *Sedum* species.

Mature Height: 6"; **Light:** Sun/Shade; **Soil:** Moist/Dry

Price: \$8.00

Stock: In stock

SILENE STELLATA

Common Name: Starry Champion

Pot Size: Quart

Frilled white petals of this scentless flower have 8-12 intricate narrow lobes. Pollination is mainly by moths but the occasional bee will visit. This hardy, drought-tolerant plant reseeds itself, with older plants sometimes sprouting multiple stems from the deep taproot.

Mature Size: 12-30"; **Light:** Part Sun; **Soil:** Dry/Moist

Price: \$8.00

Stock: In stock

SISYRINCHIUM ANGUSTIFOLIUM 'LUCERNE'

Common Name: Blue Eyed Grass

Price: \$12.00
Stock: In stock

Pot Size: 1 g

A low, rhizomatous wildflower, this plant will form clumps of narrow, lanceolate leaves. Starry bright blue flowers rise above the clump at about a foot tall in late spring and early fall.

Mature Size: 6-12"; **Light:** Sun/Part Sun;
Soil: Dry/Moist

SOLIDAGO RIGIDA 'GOLDEN ROCKETS'

Common Name: Goldenrod

Price: \$10.00
Stock: In stock
Tags: [☑ Black Walnut Resistant](#), [☑ Cut Flower](#), [☑ Deer Resistant](#), [☑ Drought Tolerant](#), [☑ Native](#), [☑ Pollinator Friendly](#), [☑ Rabbit Resistant](#), [☑ Salt Tolerant](#)

Plant Size: 1 g

Dense umbels of golden florets open mid-through late summer. The compact habit makes it a sparkling addition to the rock garden or border. Very suitable for cutting.

Mature Size: 2' **Light:** Sun; **Soil:** Dry/Moist

Photo Credit: Penn State

SOLIDAGO RUGOSA 'FIREWORKS'

Common Name: Goldenrod

Price: \$10.00
Stock: In stock
Tags: [☑ Black Walnut Resistant](#), [☑ Cut Flower](#), [☑ Deer Resistant](#), [☑ Drought Tolerant](#), [☑ Native](#), [☑ Pollinator Friendly](#), [☑ Rabbit Resistant](#), [☑ Salt Tolerant](#)

Plant Size: 1 g

Features tiny, bright yellow flowers borne in dense, plume-like panicles on the ends of stiff, alternate-leaved stems in the fall; typically growing 3-3.5' tall. Lacy flower panicles resemble fireworks, hence the cultivar name.

Mature Size: 2' **Light:** Sun; **Soil:** Dry/Moist

SORGHASTRUM NUTANS GOLDEN SUNSET®

Common Name: Yellow Prairie Grass

Pot Size: 1 g

Wide leaves form a solid base with long golden seedheads rising above the plant in late summer. Wheat-like seedheads reach 10-12" in length and hold their form, adding winter interest.

Mature Size: 5-6'; **Light:** Sun; **Soil:** Dry/Moist; **Cultivar:** 'MNYG318153'

SPIGELIA MARILANDICA

Common Name: Indian Pink

Pot Size: Quart

Native with dark red tubular flower with yellow throats lure hummingbirds to the garden like few other plants, on par with Lobelia cardinalis (Cardinal Flower). Flowers appear profusely in early July, sporadically thereafter; reseeds if happy and not in thuggish way.

Mature Height: 1-2'; **Light:** Sun/Part Shade; **Soil:** Moist

Price: \$10.00

Stock: In stock

SPIGELIA MARILANDICA 'LITTLE REDHEAD'

Common Name: Indian Pink

Pot Size: 1 g

Selection with dark red tubular flower with yellow throats lure hummingbirds to the garden like no other plant, on par with Lobelia cardinalis (Cardinal Flower). Flowers appear profusely in early July, sporadically thereafter; reseeds if happy and not in thuggish way. This cultivar is vegetatively propagated to ensure uniformity. Spigelia's native range falls just below the temperate mid Atlantic, but is still an wonderful addition to the garden with it's fabulous color not often seen in our regional palette.

Mature Size: 1-2'; **Light:** Sun/Shade; **Soil:** Dry/Moist

STACHYS BYZANTINA 'SILKY FLEECE'

Common Name: Lamb's Ears

Plant Size: 1 g

Dwarf version of lamb's ear. Tufted rosettes of tiny, soft, fuzzy, silver-gray leaves form a dense groundcover rising to only 2-3". Small lavender flowers appear in summer.

Mature Size: 3-9"; **Light:** Sun/Part Sun; **Soil:** Dry/Moist

Price: \$10.00

Stock: In stock

Tags: [☒ Drought Tolerant](#), [☒ Salt Tolerant](#), [☒ Dwarf and Miniature](#)

STACHYS MINIMA

Common Name: Betony

Pot Size: 1 g

This Stachys species forms a ground-hugging rosette of glossy, dark green leaves topped with loads of bright lavender pink flowers throughout the summer.

Mature Size: 6"; **Light:** Sun; **Soil:** Moist

Photo Credit: Chalet Nursery, Putnam Hill Nursery

Price: \$10.00

Stock: In stock

Tags: [☒ Drought Tolerant](#), [☒ Salt Tolerant](#)

STOKESIA LAEVIS 'MEL'S BLUE'

Common Name: Stokes Aster

Pot Size: 1 g

This chance seedling of *Stokesia* has strong stems with deep grass green, strap-like foliage and a round upright shape. Its flowers are periwinkle blue.

Mature Size: 12-18"; **Light:** Sun; **Soil:** Moist

Price: \$12.00

Stock: In stock

Tags: [☒ Drought Tolerant](#), [☒ Rabbit Resistant](#), [☒ Sun Loving](#)

TEPHROSIA VIRGINIANA

Common Name: Devil's Shoestring

Pot Size: Quart

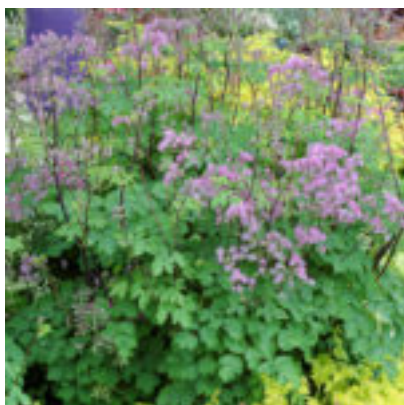

This plants showy pink and cream bicolor flowers emerge through bipinnate foliage in summer. With a compact growth habit and drought tolerance, this is definitely an underused native!

Mature Size: 12-24"; **Light:** Sun/Shade;
Soil: Dry/Moist

Price: \$8.00

Stock: Out of stock

TIARELLA 'SPRING SYMPHONY'

Common Name: Foam Flower

Pot Size: 1 g

A clump-forming hybrid foam flower that has palmate, strongly dissected, olive green basal leaves that are highlighted with black to dark red markings. It has cone-shaped heads of delicate, light pink flowers.

Mature Size: 6-12"; **Light:** Part Shade/Shade; **Soil:** Moist

Price: \$14.00

Stock: In stock

Tags: [☒ Black Walnut Resistant](#), [☒ Deer Resistant](#), [☒ Rabbit Resistant](#)

TIARELLA 'TIMBUKTU'

Common Name: Foam Flower

Pot Size: 1 g

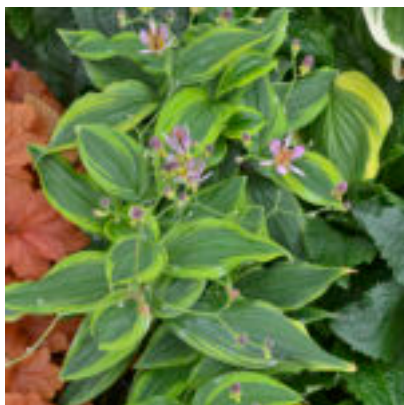

Great perennial groundcover for woodland garden. Deeply lobed, dark green foliage with burgundy accents, and ivory flowers in early spring.

Mature Size: 8-12"; **Light:** Part Shade; **Soil:** Moist

Price: \$12.00

Stock: In stock

Common Name: Foamflower - Pot Size: qt

TRICYRTIS FORMOSANA 'AUTUMN GLOW'

Common Name: Toad Lily

Pot Size: Quart

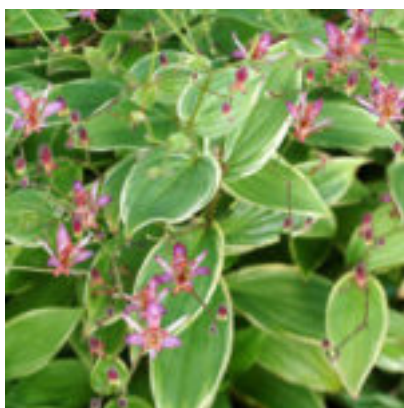

Boasts the widest yellow leaf margins of any of the variegated Toad Lily plants. Orchid-like, reddish purple to blue violet speckled flowers appear late summer into early fall. Excellent late season perennial.

Mature Size: 2'; **Light:** Part Sun/Shade;
Soil: Moist

Price: \$12.00

Stock: In stock

Tags: [☒ Black Walnut Resistant](#), [☒ Cut Flower](#)

TRICYRTIS FORMOSANA 'GILT EDGE'

Common Name: Toad Lily

Pot Size: 1 g

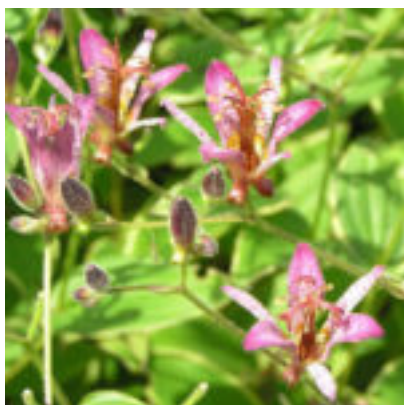

Stars of the late summer - early fall border, with cream-edged leaves and orchid-like purple spotted and streaked whitish-pink flowers that bloom profusely in the shade, a real pick-me-upper in autumn.

Mature Size: 1.5-2'; **Light:** Part Shade/Shade; **Soil:** Moist

Price: \$12.00

Stock: In stock

Tags: [☒ Black Walnut Resistant](#), [☒ Cut Flower](#)

TRICYRTIS FORMOSANA 'SAMURAI'

Common Name: Toad Lily

Pot Size: 1 g

Golden-edged leaves are a lovely contrast to purple-spotted, yellow-throated flowers. Mid September - late October bloom. Drought tolerant once established.

Mature Size: 18"; **Light:** Part Sun/Shade;
Soil: Moist

Price: \$12.00

Stock: In stock

Tags: [☒ Black Walnut Resistant](#), [☒ Cut Flower](#)

TRICYRTIS 'SEIRYU'

Common Name: Toad Lily

Pot Size: 1 g

This hybrid of two Taiwanese toad lilies is a star of the fall border. Orchid-like pale blue flowers with turquoise color at tips, white center and spots of violet.

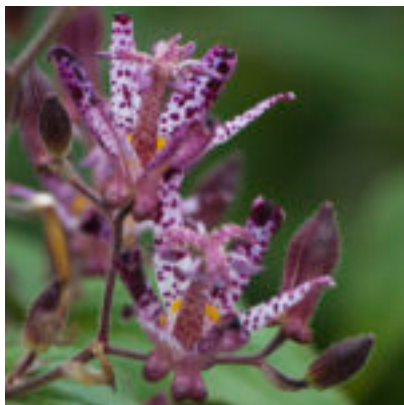

Mature Size: 2'; **Light:** Part Sun/Shade;
Soil: Moist

Photo by JLBG taken at Juniper Level Botanic Gdn, NC

VIOLA PEDATA 'ECO ARTIST PALETTE'

Common Name: Birdfoot Violet, Mountain Pansy

Plant Size: 1 g

This cultivar of our native *Viola pedata* is known for its distinct bi-color flowers with deep purple and lilac blue petals hovering above dainty dissected foliage, giving rise to its common name birdfoot violet. The 'Eco Artist Palette' selection blooms prolifically in spring over a dense clump of foliage with sporadic re-bloom into late fall. Unlike most violets, this species enjoys full sun and is well behaved in the garden.

Mature Size: 4-6"; **Light:** Sun; **Soil:** Dry/Moist

Photo Courtesy of Walter's Gardens

Price: \$10.00

Stock: In stock

Tags: [Violet Flower](#), [Just Added](#), [Sun Loving](#), [Dwarf and Miniature](#)

VIOLA WALTERI 'SILVER GEM'

Common Name: Prostrate Blue Violet

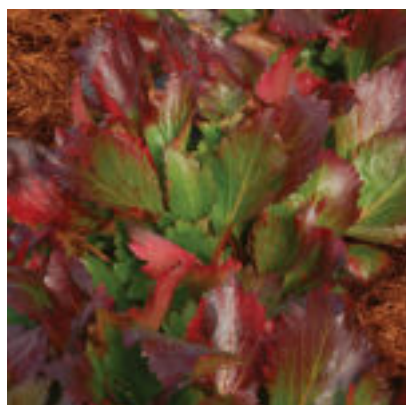

Plant Size: 1 g

A Mt. Cuba Center Plant Introduction. This perennial is an enchanting groundcover with beautiful silvery-blue, heart-shaped foliage. Throughout spring and early summer, small violet flowers protrude from beneath the foliage.

Mature Size: 4-6"; **Light:** Part Shade/Shade; **Soil:** Moist

Price: \$14.00

Stock: In stock

×MUKGENIA NOVA® 'FLAME'

Common Name: Mukgenia

Pot Size: 1 g

A deciduous hybrid between Mukdenia and Bergenia that typically grows in a clump to 8" tall spreading to 14" wide. It features spikes of dark pink to bright fuchsia flowers, with glossy, leathery textured leaves sporting jagged edges and magenta-red marginal flushing which spreads as the foliage matures often leading to spectacular fall color.

Mature Size: 8-10"; **Light:** Sun/Shade; **Soil:** Moist

Price: \$12.00

Stock: In stock

ZEPHYRANTHES ROSEA

Common Name: Pink Rain Lily,
Zephyr Lily

Pot Size: 1 g

From late summer to mid fall, amaryllis-like, trumpet-shaped blooms appear, once it's well established and under great moisture conditions. Our selection is seed grown and therefore appears in various shades of light to dark pink. These are the perfect plant for rain garden. At UDBG this plant grows and overwinters in Townsend Hall Courtyard Garden, which is protected. It's suggested that you grow in protected area in your garden or dig up each fall.

Mature Size: .6"; **Light:** Sun/Part Sun;
Soil: Moist/Wet
