Common Name: American Hazelnut, Filbert

Pot Size: 2 g

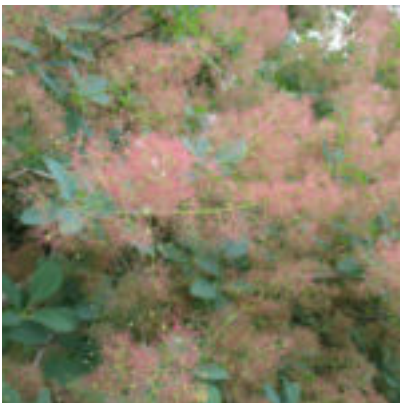

A native understory shrub of smaller stature; 2 to 3 years after planting, this species bears nuts annually that are a major attraction for wildlife. Deep green leaves give way to copper and yellow leaves in fall. The more sun this plant receives, the higher the nut production.

Current Height: 1-2' **Mature size:** 4-6';
Light: Sun/Shade; **Soil:** Moist/Wet

Price: \$29.00

Stock: 7 in stock

COTINUS OBOVATUS

Common Name: American Smoketree

Pot Size: 2 g

The airy smoky pink to pink-purple hairs on the spent flower clusters give this plant a hazy, smoke-like puffy appearance. The summer "smoke" display makes this a striking accent plant. It also produces some of the best fall color of native shrub/tree material.

Current Height: 4-5' **Mature size:** 15-30';
Light: Sun/Part Sun; **Soil:** Dry/Moist;

Price: \$39.00

DEUTZIA × ROSEA YUKI SNOWFLAKE™

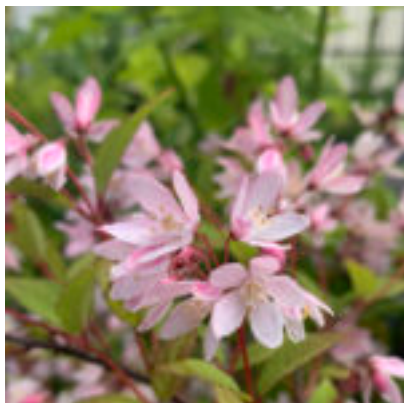

Common Name: Dwarf Deutzia

Price: \$29.00
Stock: 14 in stock

Pot Size: 1 g

Compact cultivar with low mounded habit similar to 'Nikko' but with prolific white flowers early - late spring. Great as a groundcover, shrub mass, or use in the mixed border. Plant hybridized by Dr. Tom Ranney of NC State University (*Deutzia gracilis* 'Nikko' x *D. xrosea* 'Carminea'). Very tough plant and very drought tolerant!

Current Height: 1' **Mature size:** 1-2'; **Light:** Sun/Part Sun; **Soil:** Dry/Moist **Cultivar:** 'NCDX1'

DEUTZIA × ROSEA YUKI CHERRY BLOSSOM®

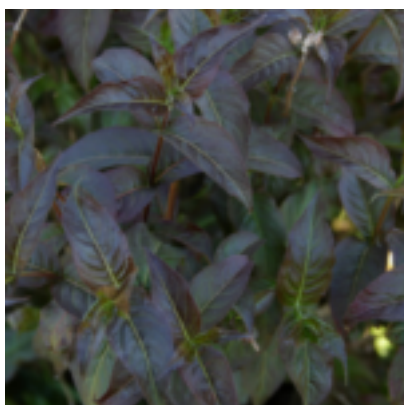

Common Name: Dwarf Deutzia

Price: \$29.00
Stock: 15 in stock
Tags: [Hummingbird](#), [Deer Resistant](#),
[Fall Foliage](#), [Fragrant](#)

Pot Size: 1 g

First 'Nikko'-type Deutzia with pink blooms. Dwarf, compact habit forms a neat mound with charming pink blooms in spring. Turns an appealing burgundy color in fall.

Current Height: 1' **Mature Size:** 1-2'; **Light:** Sun/Part Sun; **Soil:** Dry/Moist; **Cultivar:** 'NCDX2'

DIERVILLA RIVULARIS KODIAK® BLACK

Common Name: Bush Honeysuckle

Price: \$29.00
Stock: 5 in stock
Tags: [Deer Resistant](#), [Drought Tolerant](#), [Pollinator Friendly](#)

Pot Size: 1 g

Deer and drought resistant? Turns out this plant can do both! Along with its utilitarianism, Kodiak Black Diervilla shows off with dark burgundy, almost black foliage. Come early summer, the foliage makes a fantastic backdrop for yellow flowers that will have pollinators stirring.

Current Height: 1-2' **Mature size:** 3-4'; **Light:** Sun/Part Sun; **Soil:** Moist **Cultivar:** 'SMNDRSF'

DISTYLIUM BAYOU BLISS™

Common Name: Isu Tree

Pot Size: 3 g

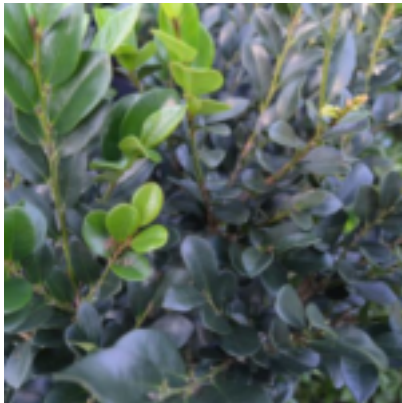

Attractive blue-green fine textured foliage with a compact, rounded habit makes this cultivar a great alternative to Boxwood or Holly in the landscape.

Current Height: 1-2' **Mature size:** 2-3';
Light: Sun; **Soil:** Moist; **Cultivar:** 'BLDY01'

Price: \$49.00

FICUS CARICA 'CHICAGO HARDY'

Common Name: Hardy Fig

Pot Size: 2 g

Although native to Sicily, it is the most cold tolerant fig tree available. Medium sized, light mahogany colored, sweet figs produced on established growth in early summer; produces figs on new growth in early fall. Protect if growing in container; overwinter in garage. Endures Zone 6; Zone 5 if given protection. Self pollinating.

Current Height: 1-2' **Mature size:** 10-15';
Light: Sun; **Soil:** Moist

Price: \$29.00

Stock: 14 in stock

Tags: [☒ Pollinator Friendly](#), [☒ Edible](#)

FOTHERGILLA GARDENII 'SUZANNE'

Common Name: Dwarf Fothergilla

Pot Size: 3 g

Selected as a true dwarf with stunning red, orange, and yellow fall foliage. White flowers appear in spring and dried seed capsules provide winter interest. Fothergillas are native to temperate regions southeast of the Mississippi, just below the mid Atlantic but they are still lovely and functional additions any garden or plant matrix.

Current Size: 1-2' **Mature size:** 2-3'; **Light:** Sun/Part Sun; **Soil:** Moist

Price: \$49.00

HYDRANGEA QUERCIFOLIA SNOW QUEEN™

Common Name: Snow Queen Oakleaf Hydrangea

Price: \$39.00
Stock: 12 in stock
Tag: [☒ Fall Foliage](#)

Pot Size: 3 g

Upright broad habit with numerous elongated, conical clusters of 4-12" long, mostly sterile, white flowers which slowly turn pinkish in fall. Flowers maintain the upright habit. Deeply lobed, oak-shaped leaves turn bronze, burgundy or purple in fall. PHS Gold Medal Award winner selected at Princeton Nurseries in NJ. Though this plant's native range falls just outside the mid Atlantic, it is still an excellent performer in our temperate gardens providing several seasons of interest.

Current Height: 1-2' **Mature size:** 4-6';
Light: Sun/Part Sun; **Soil:** Moist; **Cultivar:** 'Flemygea'

HYDRANGEA QUERCIFOLIA GATSBY STAR®

Common Name: 'Doughill' Oakleaf Hydrangea

Price: \$29.00
Stock: 9 in stock
Tag: [☒ Fall Foliage](#)

Pot Size: 1 g

Doubled blooms with pointed petals result in a beautiful, lacy panicle and attractive display on an oakleaf with all the best qualities: burgundy fall foliage, flowers tinged pink as they mature, tidy mounded habit. Though this species' native range falls just outside the mid Atlantic, it is still an excellent performer in our temperate gardens providing several seasons of interest.

Current size: 1-2'; **Mature size:** 6-8'; **Light:** Sun/Part Sun; **Soil:** Moist

HYDRANGEA QUERCIFOLIA 'PEE WEE'

Common Name: Dwarf Oakleaf Hydrangea

Pot Size: 3 g

Compact, dwarf plant bred at the U.S. National Arboretum. Summer flower clusters held on erect stems. In fall, the 6.5" ivory-colored flowers fade to pink, with burgundy colored foliage in the fall. Though this plant's native range falls just outside the mid Atlantic, it is still an excellent performer in our temperate gardens providing several seasons of interest.

Current Height: 1.5-2' **Mature size:** 3-4';
Light: Sun/Part Sun; **Soil:** Moist

Common Name: Ocala Anise Tree

Pot Size: 1 g

Native to Florida, Georgia, and South Carolina, this plant sports striking chartreuse-gold leaves. As the weather cools, the leaf color turns a bright yellow-lime, then near parchment color by midwinter. Introduced by Plant Delights in North Carolina, 'Florida Sunshine' blooms in spring, with gold yellow flower. Doesn't like dry conditions.

Current Height: 1-2' **Mature size:** 4-6';

MAGNOLIA STELLATA 'ROYAL STAR'

Common Name: Star Magnolia

Pot Size: 2 g

Pure white flowers in a twin-layered arrangement. These blooms make their entrance prior to the unfurling of leaves in the spring. A captivating performer in the springtime, lending an elegant flair to the landscape through the seasons. This versatile plant can serve as an expansive, open-branched shrub with multiple trunks, or it can stand out as a petite, distinctive tree. Impressively resilient to both cold and heat, even among magnolias. Deciduous.

Current Height: 1-2' **Mature Size:** 10'-15';
Light: Sun; **Soil:** Average to Moist

Price: \$29.00

VIBURNUM ×CARLCEPHALUM 'CAYUGA'

Common Name: Koreanspice
Viburnum

Pot Size: 3 g

Hybrid between *V. carlesii* and *V. ×carlcephalum*. Profuse bloomer with 4" snowball-shaped clusters of extremely fragrant flowers in spring.

Current Height: 2-3' **Mature size:** 4-5';
Light: Sun/Part Sun; **Soil:** Moist

Price: \$39.00

Stock: 6 in stock

Tags: [☒ Wet Soil](#), [☒ Fragrant](#)

VITEX AGNUS-CASTUS 'SHOAL CREEK'

Common Name: Chastetree

Pot Size: 3 g

A multi-stemmed large shrub, this cultivar possesses larger spikes of violet-blue flower spikes than species that appear in late spring and remain through early fall.

Current Height: 3-4' **Mature Size:** 6-10';
Light: Sun/Part Sun; **Soil:** Dry/Moist

Price: \$39.00

Stock: 5 in stock

Tags: [☒ Deer Resistant](#), [☒ Pollinator Friendly](#)

VITEX SUMMERTIME BLUES™

Common Name: Chastetree

Pot Size: 3 g

A multi-stemmed large shrub, this cultivar possesses larger spikes of violet-blue flower spikes on handsome dark stems through most of summer. This improved variety has more stout habit, improved hardiness, vigor, and sterile flowers.

Current Height: 3-4' **Mature Size:** 5-6';
Light: Sun/Part Sun; **Soil:** Dry/Moist
