For eighteen years the exhibition "Art in the Garden" has graced the Clark Garden during the spring. The exhibition is a collaboration between the University of Delaware, Towson University and the UD Botanic Gardens Friends group to provide the community a unique opportunity to view sculptures on the University's campus.

Special thanks to this year's jurors Jim Paulsen and Roy Wilson, Towson University's Department of Art, University of Delaware's Department of Art and Design, UD Botanic Gardens Friends and Professor Emeritus Joe Moss and Daphne Moss for their interest and support of this exhibition.

Special acknowledgments to Caroline Golt, Valann Budischak, Sue Biddle, Melinda Zoehrer and professors Leigh Maddox (Towson University), John Frett and David Meyer (UD)
